## The Town Dock Named Best Place to Work

*America's leading calamari supplier honored as one of the best places to work in Rhode Island.*

**NARRAGANSETT, RHODE ISLAND** – May 16, 2018 – The Town Dock is proud to announce it was recently named as one of the **2018 Best Places to Work in Rhode Island**. The annual list of the Best Places to Work in Rhode Island is organized by *Providence Business News* and conducted by Best Companies Group.

This statewide survey and awards program is designed to identify, recognize, and honor the best places of employment in Rhode Island. The Town Dock was recognized in the midsize employer category.

"It means a lot for us to be named one of the Best Places to Work in Rhode Island," said Ryan Clark, The Town Dock CEO. "This is a special recognition because it is a reflection of our people who make this the best place to work in Rhode Island or any state."

In addition to a list of eligibility requirements to be considered, companies entered a two-part survey. For The Town Dock, its workplace policies, practices, philosophy, systems, and demographics were evaluated, and employees took part in confidential surveys to measure employee experience.

"Knowing that our employees have a strong say in this process is important to us because without our hardworking team here in Rhode Island, we wouldn't be the business we are today," Clark added.

All of the Best Places to Work in Rhode Island companies will be honored at an awards gala at the Crowne Plaza Providence-Warwick on June 14, 2018.
