However, if an Internal Transfer is initiated after **6:00 p.m. Central Standard Time**, the transferred funds will not be available until the following Business Day. F. Authorization to Transfer Funds. You expressly authorize us to debit or credit the appropriate Eligible Account in the amount of any funds transfer initiated through our Electronic Banking Services. You agree that we may treat any such funds transfer from an Eligible Account the same as a duly executed written withdrawal, transfer, check or loan advance and that we may treat any such funds transfer to an Eligible Account the same as a deposit or loan payment, all in accordance with the terms of this Agreement and the Account Documentation governing your Eligible Account(s).

You are liable for all overdraft fees. We reserve the right, and you hereby authorize us, to debit any of your other accounts at Stearns Bank N.A., to the extent necessary to offset any resulting deficiency. We do not undertake to notify you in such an event, other than by posting any such transfer or transfers to the applicable account in accordance with your Account Documentation.

A. **General Description of the Mobile Deposit Service.** Our Mobile Deposit Service allows you to make mobile deposits (each such deposit "**Mobile Deposit**" and collectively "**Mobile Deposits**") to your Stearns deposit accounts (each a "**Deposit Account**" and collectively the "**Deposit Account**"). You may use the Mobile Deposit Service in connection with Deposit Accounts you have enrolled for Mobile Banking. Mobile Deposits may be made to your Deposit Accounts by using a supported camera-enabled Mobile Device with our downloadable Mobile Banking Software to capture electronic images of paper checks and to transmit such images and other information required hereby to us or our designated processor (a "**Processor**"). ***You acknowledge and agree that a Mobile Deposit made by you using the Mobile Deposit Service is not an "electronic funds transfer" as that term is defined in Consumer Financial Protection Bureau's Regulation E.*** The terms "us", "our" and "Processor" may be used interchangeably when used in relation to any services performed by a Processor on our behalf including, but not limited to, the receipt and processing of images and check data and any notices related thereto. The Mobile Device must capture an image of the front and back of each Check ("**Check Images**") to be deposited in accordance with the procedures outlined in this Agreement and any instructions provided to you within our Mobile Banking Software ("**Procedures**"). After capture of the Check Images and all other required data and information from the paper Check, you will transmit for Mobile Deposit the Check Images and all other required data and information from or pertaining to the Check to us or Processor using the Software installed on your Mobile Device. Subject to compliance with the terms, provisions and conditions of this Agreement, we will process the Mobile Deposit on the Business Day we receive the Mobile Deposit and enter the Check Images of the Check into the collection process, in accordance with the provisions of our then current Account Documentation pertaining to the Deposit Account into which the Mobile Deposit is to be made. You acknowledge and agree that we may discontinue, and/or change the terms of the Mobile Deposit Service or any related content, features, products or services associated therewith, at any time without notice or liability to you or any third party except as required by law.

B. **Activation and Eligibility.** To activate the Mobile Deposit Service, you must first enroll through Mobile Banking and meet our eligibility requirements. Only Deposit Accounts in good standing and enrolled in Mobile Banking will be eligible for the Mobile Deposit Service. Deposit Accounts with excessive returned checks or ACH transactions, negative balances, other negative account history or any other criteria we may establish from time to time will not be granted access to use the Mobile Deposit Service. Deposit Accounts granted access to the Mobile Deposit Service may be denied future transactions if the Deposit Accounts are no longer in good standing.

C. Checks Deposited and Security Interest. When using the Mobile Deposit Service, you hereby agree that you will only scan and deposit a check as that term is defined in Federal Reserve Board Regulation CC (each a "**Check**" and, if more than one, "**Checks**"). You cannot deposit money orders using the Mobile Deposit Service. You agree that you will not use the Mobile Deposit Service to deposit any Checks that:

1. are payable to any person or entity other than the Deposit Account owner or joint owners of the Deposit Account,
2. are prohibited by our then current Procedures pertaining to the Mobile Deposit Service or are in violation of any law, rule or regulation,
3. evidence alteration or that you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the Checks are drawn,

5. are drawn on financial institutions that are located outside of the United States or territories of the United States,
6. are not payable in US Dollars, and
7. are not acceptable to us for deposit into a Deposit Account as provided in the Account Documentation.

D. Checks described in clauses (1) through (7) are each a "Prohibited Check" and, collectively, "Prohibited Checks." If you deposit a Prohibited Check, you agree to indemnify and reimburse us for, and hold us harmless from and against, any and all losses, costs and expenses (including reasonable attorneys' fees) we may incur associated with any warranty, indemnity or other claim related thereto. You grant us a security interest in all Deposit Accounts or other deposits (whether general or special) of yours at Stearns, and in all funds in such Deposit Accounts or other deposits, to secure your obligations to us under this Agreement. This security interest will survive termination of this Agreement.

E. Scanning of Checks and Transmission of Check Images. You shall properly use all Software required by this Agreement or otherwise, required for or related to, the use of the Mobile Deposit Service. Before capturing a picture of the Check Images, you shall endorse the Check with the Deposit Account owner's name and the legend "For Mobile Deposit Only." Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. A check payable to two payees must be endorsed by both payees. If the check is payable to you or your joint Deposit Account owner, either of you can endorse it. If the check is made payable to you and your joint Deposit Account owner, both of you must endorse the check. Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility.

Once you have endorsed the Check, you shall then capture the Check Images of the Checks to be deposited via Mobile Deposit and transmit the Check Images and any other required data and information from or pertaining to such Checks to us or the Processor in accordance with the Procedures. We reserve the right to amend the Procedures, with or without prior notice to you. To ensure accuracy, you shall key the amount of each Check and any other information required using the Software prior to transmitting the Mobile Deposit in accordance with the Procedures.

F. Limits and Cut-Off Times. We reserve the right to impose limits on the amount(s) and/or number of Mobile Deposits that you transmit using the Mobile Deposit Service and to modify such limits from time to time (collectively defined as the "**Limits**"). Presently the Limit is \$3,000.00 per day, but the Bank may revise such Limits from time to time in its sole discretion. You may send multiple Mobile Deposits to us or Processor

throughout the day, not to exceed the Limits. We may, at our option, refuse to accept a Mobile Deposit that exceeds the Limits, or we may accept and process the Mobile Deposit. To be eligible for processing on the day transmitted, Mobile Deposits must be received by us on or before 4:00 p.m. CST on a Business Day that we are open (the "**Cut-Off Time**"). A Mobile Deposit is considered received by us when the Mobile Deposit Service generates a confirmation message. For purposes of determining when a Mobile Deposit has been delivered and received, our records shall be determinative. A Mobile Deposit that is transmitted after the Cut-Off Time shall be deemed to have been received by us at the opening of our next Business Day. We reserve the right to change Limits and the Cut-Off Time. All such changes shall be effective immediately and may be implemented prior to your receipt of notice thereof except as otherwise required by law. You may contact us at any time to verify the Limits and the Cut-Off Time.

G. Maintenance and Destruction of Original Check. You shall securely store all original Checks for a period of ten (10) days after you have received notice from us that the Mobile Deposit containing the Check Images has been accepted (such period the "**Retention Period**"). During the Retention Period, you shall take appropriate security measures to ensure that: (a) only you shall have access to original Checks, (b) the information contained

on such Checks shall not be disclosed, (c) such Checks will not be duplicated or scanned more than one time and (d) such Checks will not be deposited or negotiated in any form. You will promptly (but in all events within five (5) Business Days) provide any retained Check (or, if the Check is no longer in existence, a replacement Check or a sufficient copy of the front and back of the Check) to us as requested to aid in the clearing and collection process or to resolve claims by third parties with respect to any Check. If not provided in a timely manner, such amount will be reversed from your Deposit Account. Promptly after such period expires, you must destroy the original check by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. *After destruction of an original check, the image will be the sole evidence of the original check.* You hereby indemnify us for, and hold us harmless from and against, any and all claims, demands, actions, causes of action, losses and damages, of whatever nature or kind, and regardless of the theory upon which the same is (are) based, caused directly or indirectly by, arising out of, related to, in connection with or resulting wholly or partially from, the destruction of original Checks by you. You agree that you will never represent the original Check. You understand that you are responsible if anyone is asked to make a payment based on an original Check that has already been paid.

H. Image and MICR Quality. Check Images of each Check shall be of such quality that the following information can clearly be read and understood by sight review of such Check Images:

1. the amount of the Check;
2. the payee of the Check;
3. the signature of the drawer of the Check;
4. the date of the Check;
5. the Check number;
6. the information identifying the drawer and the paying bank (or other institution) that is preprinted on the Check, including the magnetic ink character recognition ("**MICR**") line; and
7. all other information placed on the Check prior to the time the Check Images of the Check are captured, such as any required identification written on the front of the Check and any endorsements applied to the back of the Check.

I. You shall ensure the Check Images transmitted to us include the full-field MICR encoding on each Check. You shall be responsible for the inspection of all Check Images to ensure the legibility of the Check Image including without limitation the dollar amount and signature of the person who signed the Check (the "drawer"), and for ensuring that any and all information on a paper Check is accurately captured and legible in the resulting Check

Image and otherwise complies with any Check Image quality standards and guidelines that may be established by American National Standards Institute, ECCHO Rules, the Federal Reserve, other applicable regulatory agency or clearinghouse, or that we may provide to you from time to time. You acknowledge that current image technology may not capture all security features (e.g. watermarks) contained in the original paper checks and agree to assume any and all losses resulting from claims based on security features that do not survive the image process.

J. Receipt of Mobile Deposit. After we receive your Mobile Deposit, we will review the Check Images and other information contained therein. For each Mobile Deposit that we determine is eligible for processing as described in this Agreement, we will: (i) create a substitute Check that we will present directly or indirectly to (a) the institution on which the original Check to which the Check Images relate is drawn, or (b) the institution at or through which the Check is payable (each, the "Paying Institution"); (ii) include the Check Images in an electronic file for presentment directly or indirectly to the Paying Institution; or (iii) present or post any Check Images for which we are the Paying Institution. You agree that you shall be solely liable for, and we shall not have any liability whatsoever to you for, any Mobile Deposit or Check Images or other information contained therein that are not received by us in accordance with the terms of this Agreement or for Mobile Deposits or Check Images or other information contained therein that are intercepted or altered by an unauthorized third party. You agree that we have no obligation to accept a Mobile Deposit and, therefore, may reject any Mobile Deposit or Check Images or other information contained therein submitted by you. We shall have no liability to you for the rejection of a Mobile Deposit or Check Images or other information contained therein or for the failure to notify you of such rejection. Upon receipt of a Mobile Deposit submitted by you, we may examine such Mobile Deposit and the Check Images and other information contained therein to ensure that you have complied with this Agreement and followed the Procedures. If we determine that you have not complied with this Agreement or followed the Procedures or if errors exist in the Check Images or other information contained in the Mobile Deposit, we, in our sole discretion, may either reject the Mobile Deposit or elect to correct the error and accept and process the corrected Mobile Deposit (a "**Corrected Mobile Deposit**"). As a form of correction, we may credit your Deposit Account for the full amount of the Corrected Mobile Deposit and make any necessary adjustments to the Deposit Account to correct the error. We may, at our option, also perform a risk management analysis of one or more Mobile Deposits submitted by you to detect potentially fraudulent Checks, and, in our sole discretion, we may reject any such Mobile Deposit or the Check Images or other information contained therein. If after examination of a Mobile Deposit and the Check Images and other information contained therein, we determine that you have complied with this Agreement and processed and transmitted the Mobile Deposit in accordance herewith and with the Procedures, we shall accept the Mobile Deposit for deposit to your designated Deposit Account. Notwithstanding the fact that we have accepted a Mobile Deposit for processing, any credit made to your Deposit Account shall be provisional, and you shall remain liable to us for any errors, inaccuracies, breach of warranties and any other loss sustained by, or claim made against, us.

K. Availability of Funds. We are notifying you in advance that Mobile Deposits made using our Mobile Deposit service do not fall under the standard provisions of Regulation CC – Expedited Funds Availability Act. As such, longer hold periods may apply. In general, if a Check Image of an Item you transmit through the Mobile Deposit Service is received and accepted before the Cut-Off Time on a Business Day that we are open, we consider that day to be the day of your deposit. Otherwise, we will consider that the deposit was made on the next Business Day we are open. Funds deposited using the Mobile Deposit service will generally be made available within three to five Business Days from the day of deposit. We may make such funds available sooner based on such factors as credit worthiness, the length and extent of your relationship with us, transaction and experience information, and such other factors as we, in our sole discretion, deem relevant. You acknowledge that all credits given by us for a Check are provisional, subject to verification and final settlement.

L. Laws, Rules and Regulations. You agree to comply with all existing and future operating procedures used by us for processing of transactions. You further agree to comply with, and be bound by, all applicable state or federal laws, rules, regulations, orders, guidelines, operating circulars and pronouncements, affecting checks and drafts, including, but not limited to, all rules and procedural guidelines established by the Board of Governors of the Federal Reserve and the Electronic Check Clearing House Organization ("**ECCHO**") and any other clearinghouse or other organization in which we are a member or to which rules we have agreed to be bound.

These procedures, rules, and regulations (collectively the "**Rules**") and laws are incorporated herein by reference. In the event of conflict between the terms of this Agreement and the Rules, the Rules will control.

M. Collection of Checks. We, in our sole discretion, shall determine the manner in which Images shall be presented for payment to the drawee bank (or other institution). We, in our sole discretion, shall select the clearing agents used to collect and present the Check Images, and our selection of the clearing agents shall be considered to have been designated by you. We shall not be liable for the negligence of any clearing agent. Collection of Checks is also subject to the Rules and the terms of the Account Documentation governing your Deposit Accounts.

N. Unavailability; Contingency Plan. Mobile Deposit may be unavailable temporarily due to system maintenance or technical difficulties, including those of the Internet service provider, cellular service provider and Internet software. You acknowledge that, in the event you are not able to capture, process, produce or transmit a Mobile Deposit to us, or otherwise comply with the terms hereof or of the Procedures, for any reason, including, but not limited to, communications, equipment or software outages, interruptions or failures, you may deposit original Checks with us at one of our branch locations or through a participating ATM network until such time that the outage, interruption or failure is identified and resolved. You hereby acknowledge and agree that we shall not be liable to you for any loss or damage of any nature sustained by you as the result of your inability to use the Mobile Deposit Service. The deposit of original Checks at a branch of Stearns or a participating ATM network shall be governed by the terms and conditions of your other Account Documentation and not by the terms of this Agreement. Notwithstanding the foregoing, and to the extent applicable, Section M. below dealing with warranties shall apply to the deposit of original Checks. It is your sole responsibility to verify that Check Images transmitted using the Mobile Deposit Service have been received and accepted for Mobile Deposit.

O. Warranties. You represent, warrant and covenant the following to us:

1. You shall only deposit Checks that are authorized by this Agreement, the Procedures and the Account Documentation.
2. Each Check Image is a true and accurate rendition of the front and back of the original Check, without any alteration, and the drawer of the Check has no defense against payment of the Check.
3. The amount, payee(s), signature(s), and endorsement(s) on the Check Image and on the original Check are legible, genuine, and accurate.
4. You will not deposit or otherwise endorse to a third party the original Check and no person will receive a transfer, presentment, or return of, or otherwise be charged for, the original Check or a paper or electronic representation of the original Check such that the person will be asked to make payment based on an item that has already been paid.
5. There are no other duplicate Check Images of the original Check.
6. The original Check was authorized by the drawer in the amount stated on the original Check and to the payee(s) stated on the original Check.
7. You are authorized to enforce and obtain payment of the original Check.
8. You have possession of the original Check and no party will submit the original Check for payment.
9. With respect to each Check Image, you make to us all representations and warranties that we make or are deemed to make to any party pursuant to law, regulation or clearinghouse rule. You agree that Check Images transmitted to us will contain no viruses or any other disabling features that may have an adverse impact on our network, data, or related systems.

10. You will use Mobile Deposit for lawful purposes and in compliance with all applicable laws, rules and regulations. You warrant that you will only transmit acceptable items for deposit and have handled the original items in accordance with applicable laws, rules and regulations.

11. All information provided by you to us is true, complete and accurate.

P. Returned Checks. If Checks remotely deposited by you using the Mobile Deposit Service are dishonored or otherwise returned unpaid by the drawee bank (or other institution), or are returned by a clearing agent for any reason, including, but not limited to, issues relating to the quality of the Check Images, you understand and agree that, since you either maintain the original Check or have destroyed the original Check in accordance with this Agreement, the original Check will not be returned, and we may charge your Deposit Account for any and all returned Checks, along with any returned check fees authorized by the Account Documentation. You understand and agree that any returned Checks may be in the form of an electronic or paper reproduction of the original Check or a substitute Check. Unless otherwise instructed by us, you agree not to deposit the original Check if the Check Images were previously transmitted to us using the Mobile Deposit Service and returned for any reason. We may debit any of your accounts with us to obtain payment for any Check that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.

Q. Confirmation: Deposit Account Reconciliation. We will provide notice of receipt of Mobile Deposits to your Deposit Account on the periodic statement for such Deposit Account. You are responsible for detecting and reporting to us any discrepancy between your records and the records we provide to you. If you do not detect and notify us of such a discrepancy within 30 days of your receipt of any terminal printout, mailed report or periodic statement, whichever is received first, then such transactions shall be considered correct, and you shall be precluded from asserting such error or discrepancy against us.

R. Mobile Deposit Security. You will complete each Mobile Deposit promptly. If you are unable to complete your Mobile Deposit promptly, you will ensure that your Mobile Device remains securely in your possession until the Mobile Deposit has been completed. It is your responsibility to establish and maintain procedures to safeguard against unauthorized deposits. You will notify us immediately by telephone with written confirmation if you learn of any loss or theft of original Checks. You will ensure the safety and integrity of original Checks from the time of receipt until the time of destruction. If warranted in our reasonable judgment, we may audit you, and you agree to cooperate with us to permit such auditing, to confirm that you have satisfied your obligations under this Agreement.

S. Your Responsibility. You are solely responsible for the quality, completeness, accuracy, validity and integrity of the Check Images. You are solely responsible if you, intentionally or unintentionally, submit fraudulent, incorrect or illegible Check Images to us or if Mobile Deposit is used, by authorized or unauthorized persons, to submit fraudulent, unauthorized, inaccurate, incorrect or otherwise improper or unusable Check Images to us. In addition, you agree that you will not modify, change, alter, translate, create derivative works from, reverse engineer, disassemble or decompile the technology or the Mobile Deposit Service, copy or reproduce all or any part of the technology or the Mobile Deposit Service; or interfere, or attempt to interfere, with the technology or the Mobile Deposit Service. We, and our technology partners, retain all rights, title and interests in and to the Mobile Deposit Services, Software and related technology made available to you.

T. Indemnification Obligations. You understand and agree that you are required to indemnify us and hold us harmless against any and all claims, actions, damages, liabilities, costs, and expenses, including reasonable attorneys' fees and expenses arising from your use of the Mobile Deposit Services and/or breach of this Agreement. You understand and agree that you are required to indemnify our technology partners, and hold harmless them and their affiliates, officers, employees and agents, against any third party claims, suits, proceedings, actions or demands, including to claims of another financial institution, business entity or governmental authority, and all losses, liabilities, damages, fines, penalties, costs and expenses, including court costs and reasonable attorney fees and expenses, arising from such claims, to the extent such claim is related to your use of the Mobile Deposit Services, unless such claim directly results from an action or omission made by

our technology partners in bad faith. You understand and agree that this paragraph shall survive the termination of this Agreement.

U. DISCLAIMER OF WARRANTIES. YOU AGREE THAT YOUR USE OF THE MOBILE DEPOSIT SERVICE AND ALL INFORMATION AND CONTENT (INCLUDING THAT OF THIRD PARTIES) IS AT YOUR RISK AND IS PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. WE DISCLAIM ALL WARRANTIES OF ANY KIND AS TO THE USE OF THE MOBILE DEPOSIT SERVICE, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. WE MAKE NO WARRANTY THAT THE MOBILE DEPOSIT SERVICE WILL MEET YOUR REQUIREMENTS OR WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE. YOU AGREE THAT WE WILL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, GOODWILL, USE, DATA OR OTHER LOSSES INCURRED BY YOU OR ANY THIRD PARTY ARISING FROM OR RELATED TO THE USE OF, INABILITY TO USE, OR THE TERMINATION OF THE USE OF THE MOBILE BANKING SERVICE, REGARDLESS OF THE FORM OF ACTION OR CLAIM (WHETHER CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE), EVEN IF WE HAVE BEEN INFORMED OF THE POSSIBILITY THEREOF, EXCEPT AS OTHERWISE REQUIRED BY LAW.

These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automate Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or electronically pay a returned check charge can occur when a merchant provides you with a notice and you go forward with the transaction (typically at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third-party transfers will require you to provide the third party with your account number and financial institution information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your financial institution and account information (whether over the phone, the Internet or via some other method) to trusted third parties whom you have authorized to initiate these electronic funds transfers. Examples of these transfers include, but are not limited to:

1. **Electronic Check Conversion.** You may authorize a merchant or other payee to make a one- time electronic payment from your checking account using the information on your check to pay for purchases or pay bills.

2. **Electronic Returned Check Charge & Collection.** You may also authorize a merchant or other payee to initiate an EFT to collect a fee for the return of an electronic fund transfer or a check unpaid due to insufficient funds in your account.

L. Transaction Limitations & Conditions. Refer to the Truth in Savings Disclosure of Account Terms for transaction limitations that apply to your account. Initiation of a transfer may create an overdraft of your account if we choose to honor the transaction and charge your account. If you overdraw your account, you agree to pay us the overdrawn amount and any applicable fees. If your deposit account has a Ready Cash Credit Line (overdraft credit plan) attached, any overdraft will be made in accordance with that separate loan agreement.

M. Fees. Please refer to Article III above and your Account Documentation for a description of fees.

N. ATM Operator Network Fees. In addition, when you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used and you may be charged a fee for a balance inquiry even if you do not complete a funds transfer.

(You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.) (3) Liability for failure to stop payment of preauthorized transfer. If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

Q. Financial Institution's Liability. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance: (1) if, through no fault of ours, you do not have enough money in your account to make the transfer. (2) If the transfer would go over the credit limit on your overdraft line. (3) If the automated teller machine where you are making the transfer does not have enough cash. (5) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken. (6) There may be other exceptions stated in our agreement with you.

R. Confidentiality. We will disclose information to third parties about your account or the transfers you make: (i) Where it is necessary for completing transfers, or (ii) In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant, or (iii) In order to comply with government agency

or court orders, (iv) If you give us your written permission, or (v) as described in our Privacy Policy which can be found at <https://www.stearnsbank.com/security>.

S. Consumer Liability. Tell us **AT ONCE** if you believe your Debit/ATM card (or PIN) or Password has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days, you can lose no more than \$50 if someone used your card or code without your permission. Also, if you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500.

T. Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was made available to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

U. Contact in Event of Unauthorized Transfer. If you believe your card (or PIN) code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call or write to your Stearns Bank location listed below. You should also call the number or write to the address listed in this Agreement if you believe a transfer has been made using the information from your check without your permission.

Error Resolution Procedures. In case of errors or questions about your electronic transfers, telephone or write to your Stearns Bank location at the phone number or address listed at the end of this Electronic Funds Transfer Disclosure as soon as you can. Also contact your Stearns Bank location if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared. (1) Tell us your name and account number (if any). (2) Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information. (3) Tell us the dollar amount of the suspected error. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly (5 business days for a Debit/ATM card POS transaction processed by Mastercard and 20 business days if the transfer involved a new account). If we need more time, however, we may take up to 45 calendar days to investigate your complaint or question. (90 calendar days if the transfer involved a new account, a POS transaction or a foreign transfer). If we decide to do this, we will credit your account within 10 business days (5 business days for a Debit/ATM card POS transaction processed by Mastercard and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered new for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account was opened.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

V. Time Needed to Complete Terminal Transaction. Transaction made at a terminal will normally be completed and charged to your account the same business day.

W. Point of Sale Transfers (POS). If a merchant accepts the card in payment of goods and services, you must raise any claim or defense with respect to goods or services purchased with the merchant who honored the card.

We cannot reverse a POS transaction. However, if the use of the card resulted in a loan from us, please refer to your separate loan agreement concerning dispute resolution.

X. Other Stop Payment Information. You may not place a stop payment order on an ATM withdrawal, debit card transaction or Point of Sale (POS) purchase. For one-time arrangements to pay bills electronically, which may include authorizing a merchant to use information from your check to make an electronic payment, you may be able to stop payment if we receive your stop payment order in enough time to act on it before the payment has been processed.

Y. Right to Bring Civil Action (Minnesota). You may bring civil action against any person violating the consumer privacy and unauthorized withdrawal provisions of the Minnesota Electronic Funds Transfer Facilities Act and may recover, in addition to actual damages or \$500, whichever is greater, punitive damages together with the court costs and reasonable attorneys' fees.

Z. Amendment and Termination of Electronic Funds Transfer Arrangement. We may amend this agreement upon giving you such notice as may be required by law. You may terminate any electronic funds transfer arrangement by written notice to us. We may terminate any electronic funds transfer arrangement or transaction at any time by written notice to you. Termination shall not affect the rights and obligations of the parties for transactions that occurred before termination.

If Stearns Bank believes that an Account's security or Stearns Bank's security may be at risk as a result of an Authorized Representative, Stearns Bank may, in its sole discretion, terminate the Authorized Representative's access to the Electronic Banking Service, an Account, or a Commercial Banking Service, or prevent the individual from being an Authorized Representative, without prior notice to such Authorized Representative or Company.

Company's Authorized Users will be required to use the Security Information, including a security token, each time the Authorized User accesses the Commercial Banking Services. Company acknowledges Administrator shall have the ability to control security levels such as Commercial Banking Service access.

E. Company's Acknowledgment. By executing the Agreement, Company acknowledges (i) the inherent risks and responsibilities associated with conducting business via the internet and that there can be no assurance that inquiries or transaction activity will be completely secure, despite any security procedures established by Stearns Bank such as firewalls, passwords, and data encryption. Company also understands that access to the System will not be free from delays, malfunctions, or other inconveniences generally associated with this electronic medium and Company agrees Stearns Bank is not responsible for any such delays, malfunctions, or inconveniences; (ii) Company is responsible for maintaining all equipment required for its access to and use of the Commercial Banking Services; (iii) that Company is authorizing Bank and Bank's affiliates and agents to allow Company access to Accounts via the Internet; and (iv) Company is authorizing Bank, and any third party on Bank's behalf, to serve as agent in processing transaction instructions received from Company via the internet and to post such transactions to Company's designated Accounts. F. Company Additional Responsibilities: Company is responsible for actions that may be taken by anyone using the Electronic Banking Services after signing in with Company's Security Information, except as otherwise set forth herein or in the Account Documentation governing Company's Accounts. Stearns Bank is entitled to rely and act upon Company Instructions received using Company's Security Information. Company is further responsible for keeping Company's Security Information confidential and for ensuring that Company has signed off from the Electronic Banking Services when Company's session is complete to prevent unauthorized persons from using the Electronic Banking Services.

G. Company further agrees that Company and its Authorized Representatives will: (i) not use Electronic Banking Services for any activity or use that may disrupt the Electronic Banking Services or the networks

through which Company accesses or uses the Electronic Banking Services; and (ii) not access or attempt to access any account for which Company has no access authorization, or duplicate, modify, distribute or display any of the data or files from any such account.

H. Commercial Cash Management Services. Commercial Account customers enrolled for the Bank's commercial cash management services may permit Authorized Representatives to access certain cash management services through Online Banking (e.g. wire transfer and ACH origination services). Access to and use of such cash management services through Online Banking shall be subject to the terms of this Agreement and any other Account Documentation, limitations, security procedures and requirements provided or established by Bank.

I. External Transfers for Consumer Accounts.

1. **External Transfer Description.** External transfers permit you to electronically transfer money between your Online Accounts at Stearns Bank and at other financial institutions that are located in the United States and have valid ABA routing numbers ("Approved Financial Institutions"). You may use external transfers only to make transfers to and from your eligible Online Accounts at Stearns Bank and any checking, savings or money market accounts at Approved Financial Institutions (not to exceed five accounts), from which accounts you must be authorized to make withdrawals and for which accounts you have verified your ownership ("Verified Account"). Eligible Online Accounts for external transfers are Stearns Bank checking accounts, savings accounts and money market accounts.

2. **Processing Time.** We will begin processing a transfer request on the same Business Day as the request only if we receive the request prior to 4:00 p.m. Central time. Requests received on a non-Business Day or after such cut off time will be processed on the next Business Day. A one-time immediate external transfer cannot be canceled after it has been submitted. Recurring external transfers and future dated external transfers can be cancelled the business day prior to the scheduled transaction date. However, once the pending external transfer states "Processing" it cannot be cancelled.

3. **Transfer Limitations.** You may only make transfers to or from your eligible consumer Online Accounts and Verified Accounts at Approved Financial Institutions. You agree to not transfer funds to or from an Online Account and a Verified Account at an Approved Financial Institution unless you have authority to do so. You may use external transfers to perform unlimited transfers between eligible Online Accounts and Verified Accounts; provided, however, that you may not perform more than 6 transfers per month from any savings or money market account. Furthermore, in any one (1) Business Day, the total aggregate amount of all external transfers from Verified Accounts to eligible Stearns Bank Online Accounts and to Verified Accounts from eligible Stearns Bank Online Accounts shall be limited in accordance with our policies.

4. **External Transfer Authorization.** You authorize us to follow your transfer instructions and to make external transfers through electronic means or any other means that we determine is appropriate.

5. Transfers to your Stearns Bank Eligible Account from your Verified Account at an Approved Financial Institution:

- For a one-time transfer, we will deduct the funds from your Verified Account at an Approved Financial Institution on the date that you schedule the transfer to be sent ("**Transfer On**" date) or within 2 Business Days thereafter.
- For a recurring transfer, we will deduct the funds from your Verified Account at an Approved Financial Institution on that start date ("**start date**") or within 2 Business Days thereafter; we will continue to deduct funds from this Verified Account for subsequent transfers, using the start date as a reference point.
- **Funds Availability:** When you transfer funds from a Verified Account at an Approved Financial Institution to your eligible Stearns Bank Online Account, the funds will be available for use the day the funds post to the

Stearns Bank Online Account.

- There must be adequate funds in your Verified Account at the time we attempt the deduction or your request will not be processed.

6. Transfers **from** your Stearns Bank Eligible Account to your Verified Account at an Approved Financial Institution:

- For a one-time transfer, we will deduct the funds from your eligible Stearns Bank Online Account on the **"Transfer On"** date or within 2 Business Days thereafter.
- For a recurring transfer, we will deduct the funds from your eligible Stearns Bank Online Account on the **"start date"** or within 2 Business Days thereafter; we will continue to deduct funds from this eligible Stearns Bank Online Account for subsequent transfers, using the start date as a reference point.
- Funds availability: Once funds are transferred from your eligible Stearns Bank Online Account to a Verified Account at an Approved Financial Institution, the availability of such funds will be at the sole discretion of the Approved Financial Institution.
- There must be adequate funds in your Online Account at the time we attempt the deduction or your request will not be processed.

J. **Electronic Banking External Funds Transfer Funds Limitations** . For security reasons, Stearns Bank has established limits on the amount of funds that can be transferred electronically via external transfers. External transfers are transfers of funds from your designated Stearns Bank account to/from an external account.

The chart below lists the default limits established for Online Banking transfers from your designated Stearns Bank account as an external transfer. Different external transfer limits may be assigned on a case-by-case basis. These limits do not apply to internal transfers between your Stearns Bank accounts, bill pay transfers that you initiate, or pre-authorized third-party payments.

External Funds Transfers	Per Transfer Limit	Daily Limit	Monthly Limit
Transfer Amount	\$3,000.00	\$3,000.00	\$10,000.00

Any external transfer initiated on a day that is not a bank business day, counts toward the applicable limit for the next business day. We reserve the right to change your external transfer limits at any time. Transfer limits are also subject to temporary reductions to protect the security of your account(s) or Stearns Bank's transfer systems. Any decrease will be subject to notice, as required by law.

You agree that we reserve the right to reduce, suspend, or terminate your use of this service, without prior notice to you, if we believe that you are using this service in a manner that exposes you or Stearns Bank to liability, reputational harm, prohibited or illegal activities.
