Rendering is an artist's impression.

Clean. Modern. Sophisticated.

Welcome to Toronto's incredible Garden District neighbourhood – it's where the past and present meet, where modern architecture is being combined with heritage preservation, to bring new life to the past.

At the centre of it all is **The Garden District Condominium**, a beautiful hybrid of old and new, that's setting the bar for this evolving downtown neighbourhood. This 32-storey, 234-suite residential condominium has three key elements – a base of heritage row homes dating back to the late 19th

century, a mid-rise podium – and a cantilevered modern glass tower filled with natural light.

The tower portion soars up and over the heritage buildings, offering the perfect counterpoint of old and new. The structure of the podium and tower highlights the presence of the heritage elements, with a recessed area that gives their traditional roofline room to shine.

And if you're looking for great amenities, you will love **The Garden District Condominium** which includes a sprawling

2-storey gym located in the heritage base and a modern 7th level **Garden Club** featuring indoor and outdoor facilities. **The Garden District Condominium** also offers amenities for pets. There is a main level pet washing and grooming station and an outdoor pet relief area.

The location is unbeatable, too. With an incredible walk score of 99, transit score of 100, and bike score of 83, you can walk, bike, or take the TTC just about anywhere. It even has charging stations for electric cars, truly connecting old and new.

History, reimagined.

Heritage Preservation Base

Rendering is an artist's impression.

The facades of the heritage buildings on Shuter Street will be carefully restored and thoughtfully integrated into the condominium, serving as the base for the contemporary tower. The base will contain three 2-storey lofthouses with private entrances from Shuter. The corner building will also house a 2-storey fitness gym and a pet washing and grooming station (accessible from the exterior too).

Standing tall.

Glass Cantilevered Tower

Designed by Peter Clewes and Adam Feldmann of the acclaimed firm ArchitectsAlliance, **The Garden District Condominium** is inspired by the enduring shapes and timeless style of Mies van der Rohe. The sleek interiors are designed by Dochia Interior Design, with luxe finishes that exude modern sophistication. Contemporary yet classic, **The Garden District Condominium** takes the best of the past, and combines it with design and features that will take luxury city living into the future.

**In the heart

District
community**

**THE GARDEN
DISTRICT**
CONDOMINIUM

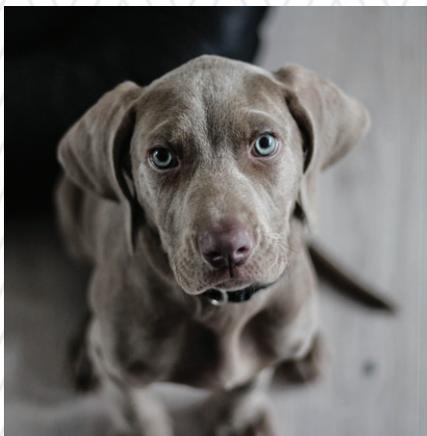

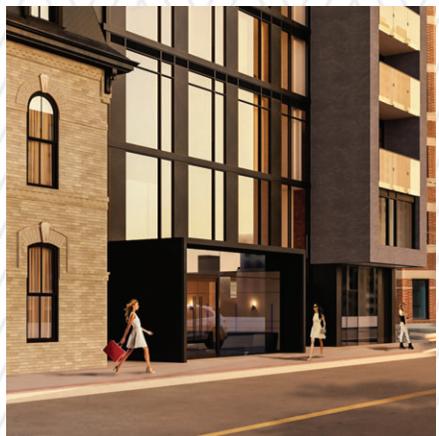

A fabulous first impression.

Rendering is an artist's impression.

Your first view of the interior is via the grand lobby entrance on Mutual St. A stunning space that combines past and present with subtle touches and luxurious finishes. The exposed brickwork of the restored heritage feature wall gives the space an elegant touch of history feel, while the rich inlaid wood walls, sleek seating and gleaming marble floors keep the space firmly fixed in the present.

In addition to the luxurious lobby, the main floor includes the executive concierge service, a pet spa, a fully outfitted workshop, mail/parcel room, and three high-speed elevators.

Welcome home.

SHUTER STREET

MUTUAL STREET

The Garden District Main Level

Your two-storey gym.

THIRD LEVEL

MUTUAL STREET

The gym at **The Garden District Condominium** blows away expectations of what a condo gym should look and feel like. Situated in the elegant heritage portion of the building, the area has two levels of machines, fitness equipment, stretching spaces and more.

The first level is focused more on strength training, with machines and free weights for you to use as well as a heavy bag for the boxing enthusiasts. Lockers are available as well. On the second level, you'll find treadmills, stationary bikes, elliptical machines and other cardio equipment, plus a yoga and stretching area, with access to an exterior terrace.

SECOND LEVEL

A whole new level of amenities.

MUTUAL STREET

The Garden Club

Want to entertain, play, work, chat or just relax? Head to **The Garden Club** on the seventh level – it is a gracious shared space to be used as an extension of your home.

The Garden Club has a beautiful kitchen and dining area perfect for a quiet dinner or a bigger soiree, comfortable lounge areas, a media and games area with large-screen TV, and a safe, well-stocked children's play area little ones will love. Need to meet with clients, study for your exam, or hammer out that proposal? Head to the spacious communal work space and meeting room. Get things done in a professional, quiet area with high-speed wi-fi, comfortable seating and plenty of natural light.

Luxury, indoors and out.

The Garden Club

Rendering is an artist's impression.

The floor to ceiling south facing windows let the sun in year-round – and invite a warm breeze in the summer months.

The Indoor Amenity area consists of a children's playroom, an expandable lounge, kitchen and furnished dining area, games+media room with large screen TV, a bar area with wi-fi and a furnished meeting room.

The open concept is fully expandable to accommodate larger groups – it's easily transformed into a single space that you can book for that big birthday party or family celebration.

Comfortable respite.

Rendering is an artist's impression.

The large doors open to a beautiful outdoor area with more seating, lush raised planters, fire pits, barbecues, sunbathing loungers, an al fresco dining area and more. It's the perfect place to hang out and relax on your own or with friends, and the ideal spot to entertain.

An incredible neighbourhood.

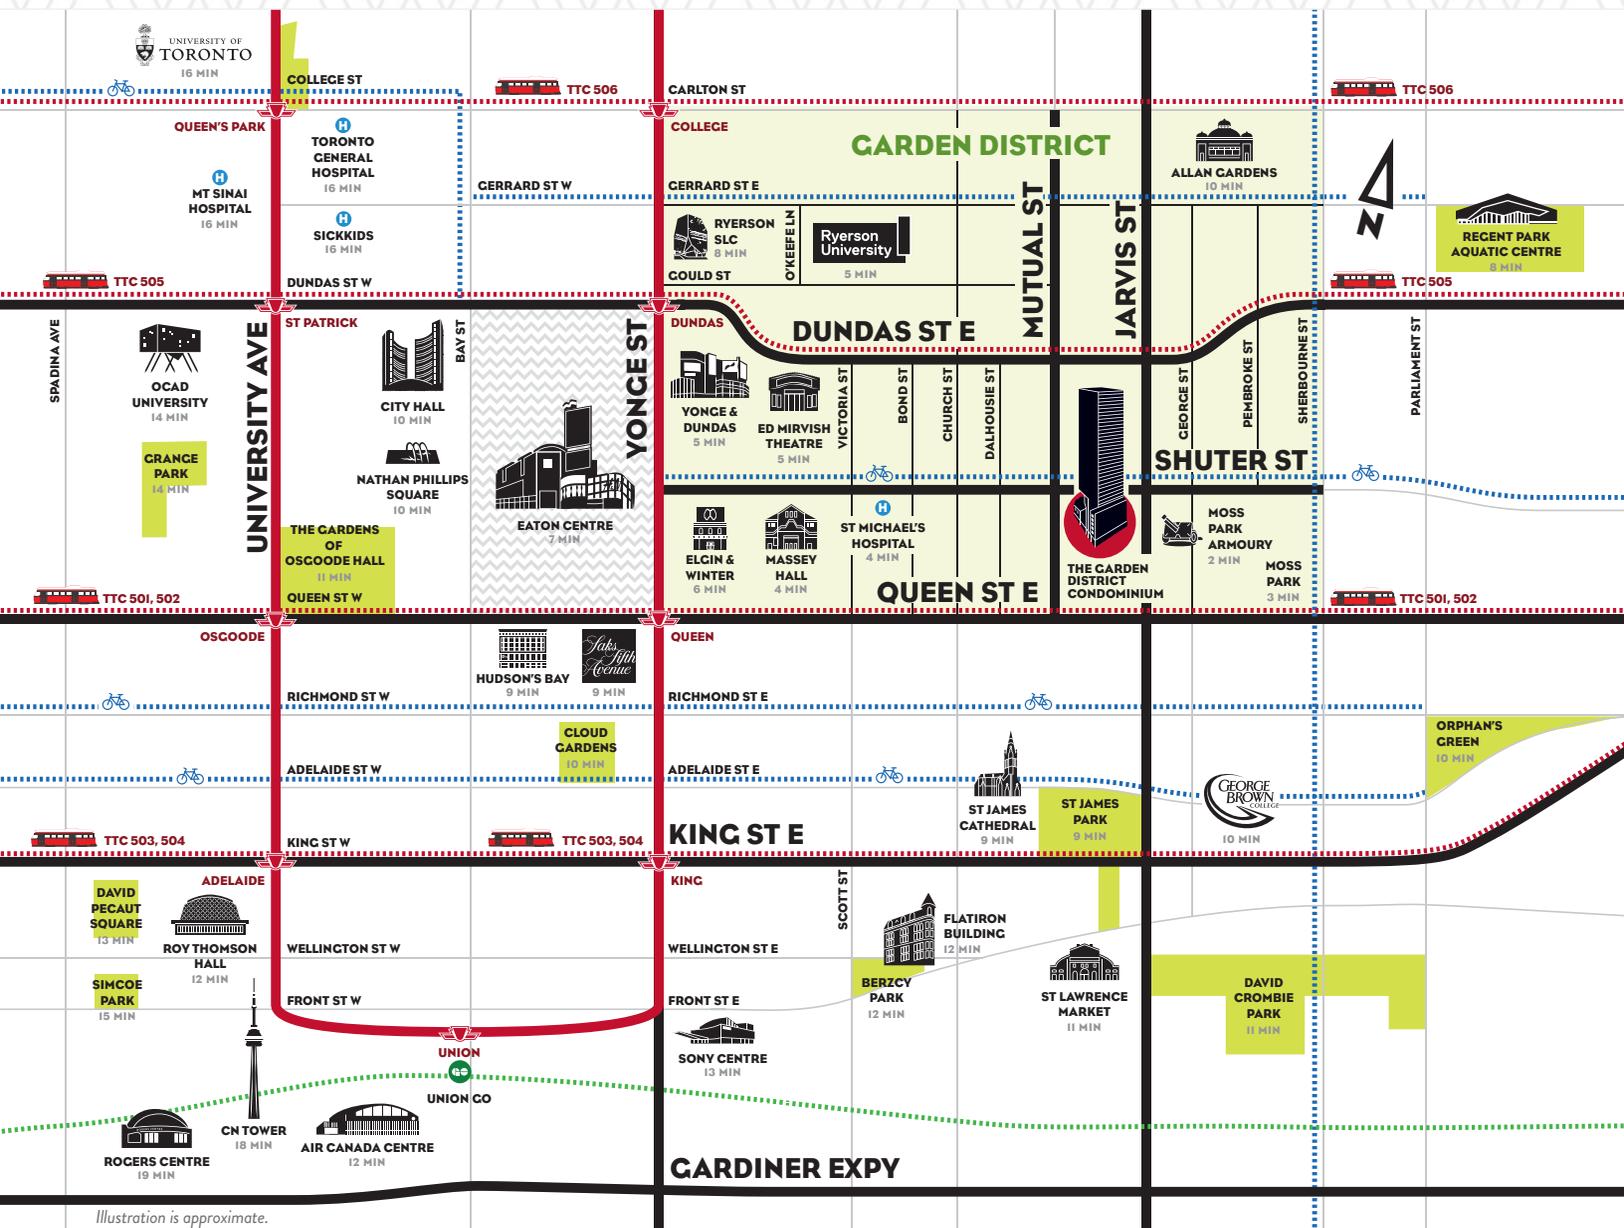

Illustration is approximate.

The Garden District Condominium is in the heart of Toronto's Garden District. Bordered by Yonge, Carlton, Sherbourne and Queen, this vibrant urban neighbourhood is in the downtown core, close to fabulous shopping, amazing entertainment, and plentiful dining. Shop at the landmark Eaton Centre, catch a concert at Massey Hall, or spend some time in a local park – they're all a short walk or bike ride away.

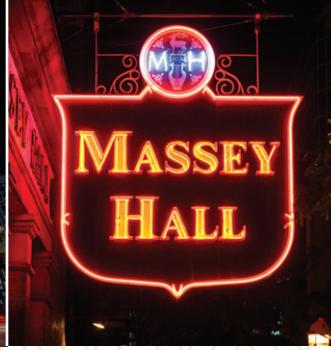

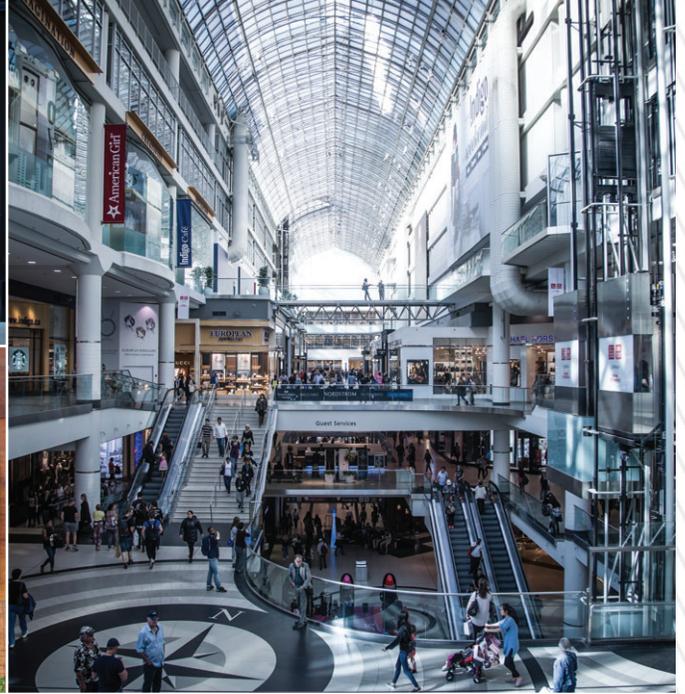

And no matter what school you need to get to, The Garden District Condominium is the perfect home base for students, faculty and staff. Ryerson University is a two-minute walk north, George Brown College is a few blocks to the south, and U of T is a quick bike or streetcar ride west.

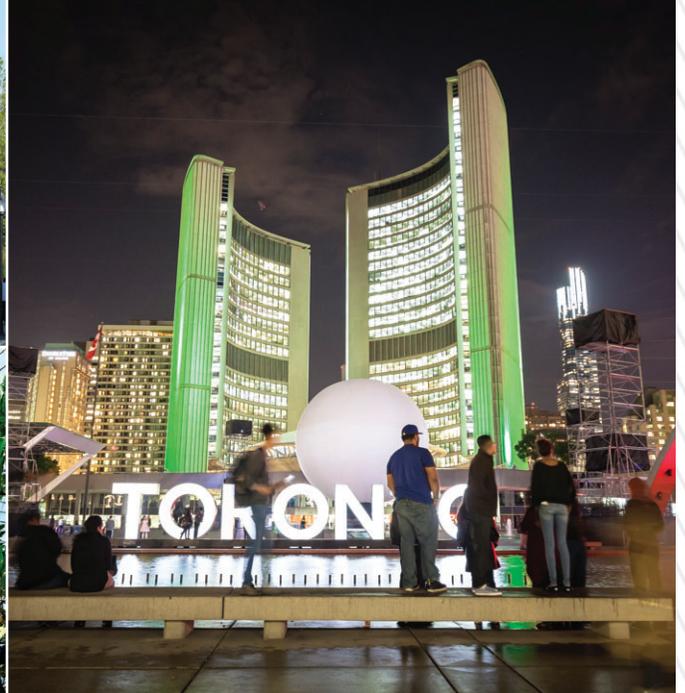

An incredible walk score of 99, transit score of 100, and bike score of 88 means you can walk, take the TTC, or bike just about anywhere. And with future forward charging stations for electric cars, The Garden District Condominium truly connects the old with the new.

Development team.

A groundbreaking partnership between Hyde Park Homes and The Sher Corporation brings years of multi-faceted real estate experience to The Garden District Condominium. This team offers unparalleled expertise in engineering, an impeccable sense of design, and the in-depth real estate knowledge necessary to create residences that are truly incredible in every way.

The Hyde Park Homes Group has been involved in real estate investment, development and construction for many years. They have successfully completed all types of commercial and residential developments in the GTA, including retail, mixed residential/retail, single family, townhomes and stacked townhomes, and mid- and high-rise condo projects.

Since 2007, they have co-developed three projects with Lamb Development Corp in Toronto: The King East, a 14-storey, 215-unit residential/retail condominium, and Riverside Towns, a 63-unit stacked townhouse project. Their third project, East 55, a 273-unit, 24-storey high-rise condominium on Ontario St. is currently under construction.

hydeparkhomes.com

Armed with a strong understanding of urban design and a future-focused approach to real estate, The Sher Corporation develops high-quality residences that add value to the architectural landscape. Sher is dedicated to creating outstanding residences that push the design envelope, while seamlessly weaving into the existing urban fabric.

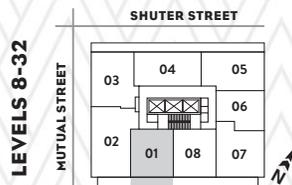

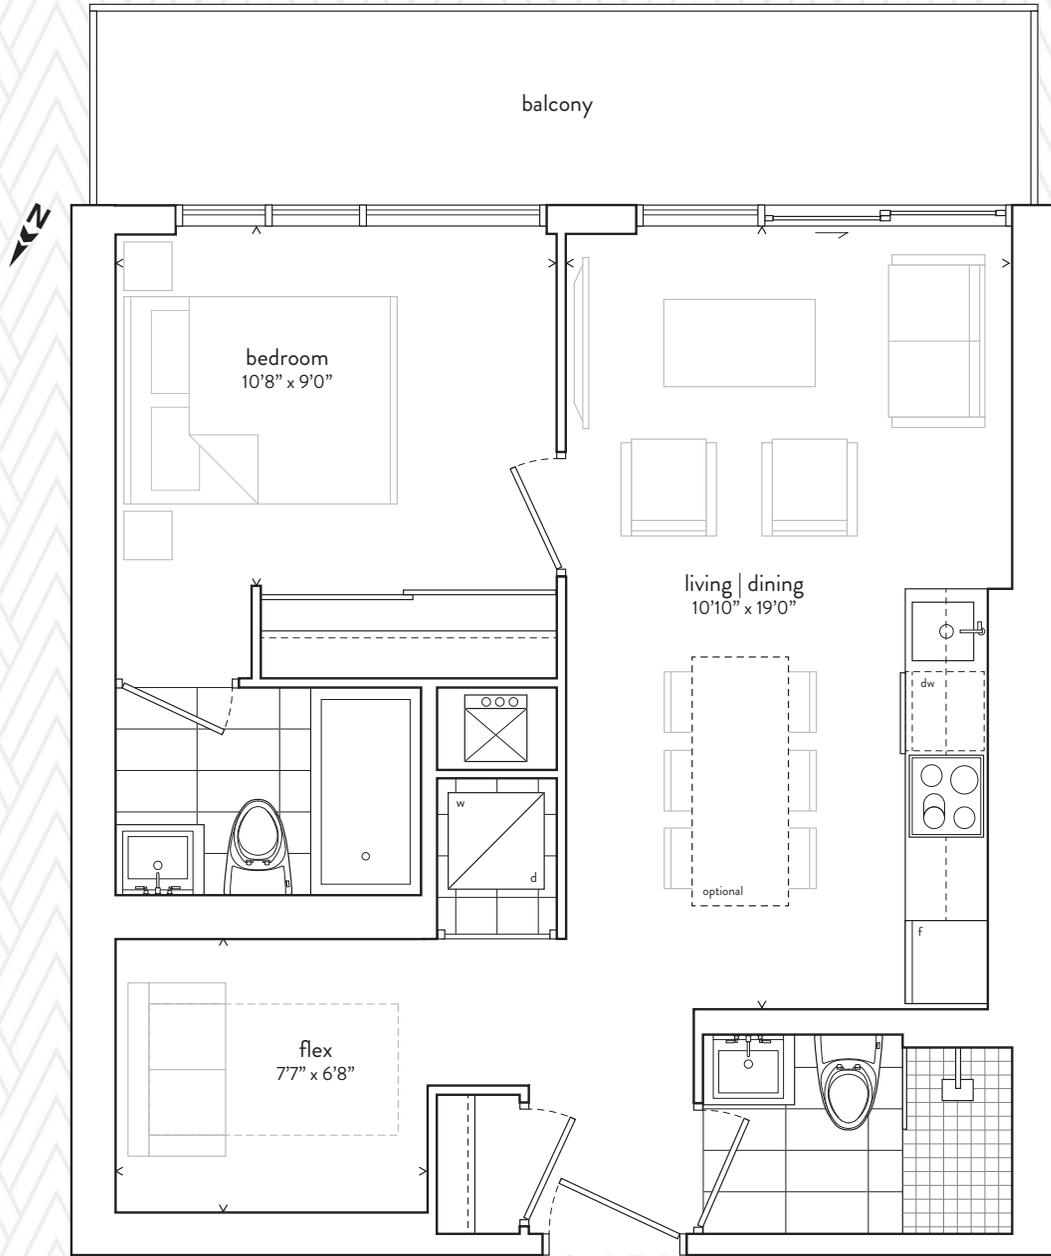

With over 25 years of experience in the real estate market, principal Shakeel Walji brings an unparalleled understanding of development that is uncommon in today's marketplace. Possessing both a strong background as a professional engineer and a creative flair for design, he fully understands the development process from concept to execution.

The Sher Corporation is devoted to enriching the lives of homeowners with high-quality spaces that incorporate the latest trends in architecture and design with timeless forms. An incredible portfolio and an excellent reputation with clients keeps Sher closely attuned to the real estate landscape.
