

## WebCommerce<sup>SM</sup> Set-Up with MerchantE.

Get up and running in minutes! Go from brick-and-mortar to brick-and-click and start accepting payments online.

Launch your online business with a powerful e-commerce website builder and shopping cart that empowers you to design a beautiful website in minutes. Professional templates and set-up wizards remove the worry and hassle from setting up shop. **Plus, integrations with social platforms extend your reach and help you grow faster.**

In-store sales have become stagnant. You're still making sales, but the numbers aren't really growing.

You create an online store using the MerchantE WebCommerce website builder. Your store is up and running online in no time.

Total sales are looking good and you are thinking about expanding your marketing and locations!

MerchantE WebCommerce<sup>SM</sup> –  
your ultimate tool set for getting your  
business online.

- ✓ Set up shop anywhere—including mobile
- ✓ Build a site or simply plug the shopping cart in to a existing website
- ✓ No need to hire marketing or technical experts
- ✓ Use Google, Instagram, and Facebook advertising to grow your business faster
- ✓ Start a new business or extend the reach of your existing business
- ✓ Install in minutes
- ✓ Get a secure, professional website at an affordable cost
