Social Distancing Protocols

At Camp Eagle Adventure Camps, the safety and well-being of our staff and guests continue to be a top priority. As a result of the Coronavirus (COVID-19), Camp Eagle made the decision to suspend our regular summer programming. However, over the past three weeks, a lot has happened and we have another update.

In light of Gov. Abbott's plan to re-open Texas, we have re-opened Camp Eagle for self-facilitated adventure for individuals and families. Below is a list of the protocol in accordance with the recommendations made by the [Governor's Strike Force to Open Texas](#) updated May 5, 2020.

Our desire is to provide a safe and socially distant environment that allows families to get out of the house and enjoy sunshine and spring air for a weekend.

PERSONAL SOCIAL DISTANCING PROTOCOLS - Given in writing to the guest upon arrival.

- All guests must self-screen before arriving on Camp Eagle property. Don't attend if your temperature is 100.4F or greater.
- Do not attend camp if you have been around a person known to have COVID-19 and has not been cleared by a medical professional.
- These protocols are given to guests and are for everyone's safety.
- Avoid touching your face.
- Stay 6' away from others, especially avoid hugs, high fives, or face-to-face contact.
- Wash hands often for at least 20 seconds.
- Cough and sneeze into elbow or shoulder.
- Must wear face coverings inside retail locations AND use hand sanitizer upon entering.
- Must only touch the items you are purchasing.
- Bring your own mask to use as needed.
- Guests will be given resources to sanitize their Camp Eagle lodging once per day. These resources will not be provided to guests staying in personal tents, trailers, or RV's.
- Wash hands before each meal.
- If feeling ill, especially if you have any of the following symptoms, safely make arrangements to quarantine yourself or consider ending your trip early if you are able to get home safely.
 - Sore throat, cough, chills or shakes, diarrhea, shortness of breath or difficulty breathing, loss of taste or smell, muscle pain, headache, fever of 100.4F or greater, known contact with someone confirmed to have COVID-19.

CAMP STAFF SOCIALLY DISTANT PROTOCOL FOR RETAIL/CHECK-IN/FRONT GATE

- We have introduced protocol to ensure that our staff will not interact with guests if any sickness or contact with COVID-19 is suspected.
- We have established protocol specific to the sanitization of our retail locations according to the requirements and suggestions of the Governor's Strike Force to Open Texas. This protocol includes but is not limited to:
 - The requirement of face-covering while working retail/check-in inside.
 - Attempts to increase fresh airflow when possible.
 - Wash hands often
 - We have a well-developed sanitation protocol to ensure that all the items in our retail area have been cleaned.
 - Sanitize often touched surfaces: switches, buttons, handles for the entire retail location between shifts.
 - Practice Personal Social Distancing Protocols:
 - 6' apart
 - Cough or sneeze into your tissue, elbow, or shoulder
