

LOCATE A LOCUM

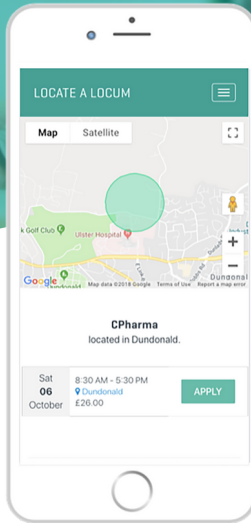

Locum Booking Simplified

Book locums in seconds, no more calls, texts or emails

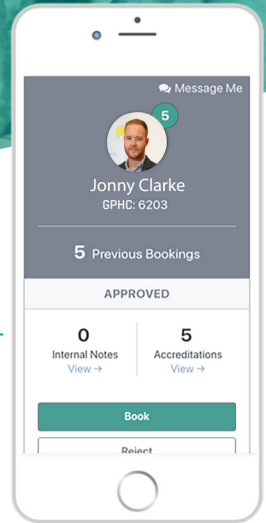

Post Gaps

Forget emails and phone calls. Post your gaps out to an entire marketplace of locums, across the UK, with just the click of a button

Instantly Notify

Locums within the area will be notified to apply. You will get notifications updating you of applications ready to review

Review Applications

If you have specific requirements for your shift you can pick the locum that fits these from the accreditations they have in place – with peace of mind that their compliance is all managed by us

Book & Relax

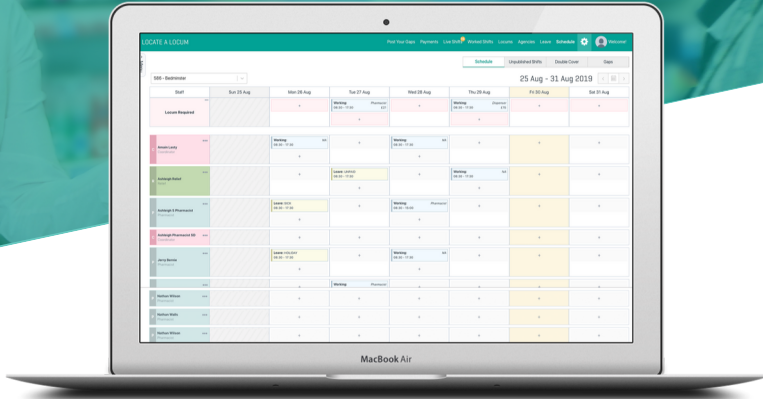

With our one click booking system, the successful applicant is instantly notified and prevented from making any further bookings on that date

LOCATE A LOCUM
