

TestWise - How to save test files to a network folder

This note applies to all versions of TestWise for Titan.

The same procedure can be followed to save to folders local to the Titan PC.

Open TestWise and go to File > Options > General

You will see this window.

Download Configuration to Titan
Apply OK Cancel

Find the section which shows "Test Files" and click the browse button (...)

Find "This PC"

A list of network drives 📼 will be shown – you may need to scroll down the list of locations to find them.

Browse For Folder	×
Specify the default folder location for test files	
This PC	^
> 🏪 Windows (C:)	100
> RECOVERY (D:)	
> 😎 USB Drive (E:)	
> 🛖 customer (F:)	
> 🛖 general (G:)	
> 👳 library (L:)	
> 🛖 drawings (N:)	
> 👳 projects (O:)	
> 👳 schemes (S:)	
> 👳 users (U:)	
> 🛖 department (V:)	
	~
Make New Folder	Cancel
Take Herri Older	

Then navigate to the folder location.

If the desired location does not exist then you can "Make New Folder".

With the location selected, click OK.

>	Purchasing
>	SMT
~	Technical Department
	>lims
	> BSI
	LAB WORK INSTRUCTIONS
	Polyester
	performance data
	> Test Materials
	Test Results
	> UKTLF
	Test Materials Test Results UKTLF

The selected location then appears as the Default Path. To finalise, click Apply followed by OK.
