

Zadara Enterprise Storage-as-a-Service vs. Traditional Storage

A closer look at the most important aspects when considering any new purchase: time, cost, scalability, and commitment.

Zadara Storage | Traditional Storage

TIME

Harvard DCE became more responsive to their customers

COST

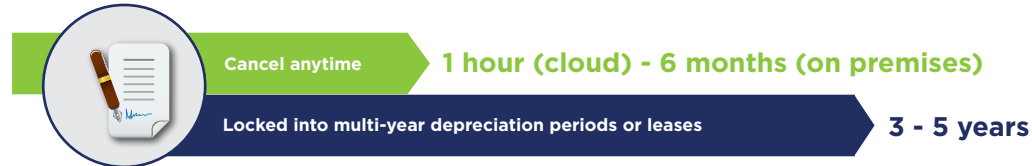

Gilt rapidly grew and reduced their costs by 85%

SCALABILITY

Cal Poly can grow from two to 100s of nodes, no downtime

COMMITMENT

Korea Telecom eliminated risk with pay-as-you-grow
