Corporate Giving

Engaging your people.

Enriching your impact story.

In a single end-to-end solution, SmartSimple Corporate Giving makes it easy to manage the full scope of corporate giving, and enrich your impact story – freeing you to do even more good.

WHAT SETS US APART

- Unlimited flexibility to address any unique need and take charge of every aspect of giving.
- Global reach, local depth. Empower your people with a giving solution in any language and any currency.
- Ready to integrate with any 3rd-party enterprise software, from Salesforce to PeopleSoft, through our SmartConnect RESTful API.
- Lessen time spent on due diligence with direct verification from the IRS, OFAC & GuideStar Charity Check – in a couple of clicks.
- Use role or attribute-based access control to create accounts with appropriate permissions – meaning users only see what they need to.
- Your data is safe with us. We comply with the highest security accreditations that include SOC 1 and 2.

TAKE the complexity out of managing diverse global giving commitments.

TRANSFORM how your goodness programs are managed, tracked and reported on.

TAILOR your solution to your unique process, compliance & security needs.

WHAT WE'RE GOOD AT

- ✓ Foundation granting
- ✓ Community granting
- ✓ Disaster relief
- ✓ In-Kind giving
- ✓ Sponsorships

YOUR PEOPLE

- Build robust application forms.
- Create fully configurable campaigns in minutes.
- Control all your data in one place.
- Invite collaborators and manage multiple users.
- Automate repeatable processes, cutting administration.
- Unlock your true impact with quick, seamless reporting.
- Only view applications that meet your criteria with pre-eligibility screening.

YOUR APPLICANTS

- Easy to use forms and tools make it faster for applicants to give the information you need.
- Personalized portals mean applicants only see funding calls most relevant to them.
- Reminder settings ensure applicants never miss a grant cycle.

YOUR REVIEWERS

- Scheduling board meetings? Simplify it with our meeting planner tool.
- Effortlessly review submissions - anytime, anywhere.
- Find submission content in a couple of clicks.
- Access assigned reviews, and easily add scores or comments.

YOUR DATA

- See the numbers and metrics that matter – from any angle, at any detail.
- Visualize real-time data in interactive dashboards.
