# Employee Giving

Engage your people.

Enrich your community.

SmartSimple Employee Giving is an all-in-one solution that streamlines every step in your corporate volunteering, donation and matching programs. Align your company's values with the generosity of your most important asset – your people.

## A COMPREHENSIVE SOLUTION FOR MANAGING YOUR EMPLOYEE GIVING PROGRAMS

- Free your teams from the logistical headaches of managing volunteer-led initiatives, deepening their community focus
- Simplify creating, promoting, and measuring campaigns - in any language or currency with powerful donation management features
- Magnify the impact of your people's giving with a fully automated matching program
- Guarantee the safety of your data with the most stringent security and compliance standards in the cloud, including Service Organization Control (SOC 1 and SOC 2) certification.

**TAILOR** our solution to meet your unique processes, and integrate with any enterprise software

**DRIVE** employee engagement by making it easy to participate in workplace giving programs

## ALL YOUR EMPLOYEE GIVING UNDER ONE ROOF

- ✓ Volunteer Management
- ✓ Donation Management
- ✓ Matching Gifts
- ✓ Dollars for Doers

## VOLUNTEER MANAGEMENT

- Individual user portals offer your people system access to register anytime, anywhere
- Share event schedules, venue details, total attendees, signage, and staffing with those coordinating volunteer events

## DONATION MANAGEMENT

- Create one-time or recurring payroll deductions for employee donations
- Record all payments to nonprofits, and create ad-hoc reports

## MATCHING GIFTS

- Map all donations directly to employee contributions for a complete audit trail
- Create eligibility quizzes to vet requests against your charitable guidelines

## DOLLARS FOR DOERS

- Document employee time and financial contributions through their own user portals
- Confirm the tax status of any nonprofit through trusted government and third-party integrations

Used by **13** of the  
largest companies in the  
Fortune 500 & global  
government agencies.

**300+**  
clients globally.

**115,000+**  
monthly users in nearly  
200 countries.
