## **Lead Fullfilment**

COMPLEMENT YOUR TARGET FILE AND INCREASE YOUR CUSTOMER/PROSPECTIVE CUSTOMER DATA BAS

#### INFOBEL LEAD FULLFILMENT SOLUTIONS

#### Get new targeted prospective customers

#### Consumer

Are you looking for a <u>well-worked out data system</u> based on socio-demographic criteria to be able to launch a marketing campaign?

Do you already have a file and want to <u>analyse</u> the profile of your existing clients, <u>identify</u> a particular target group, <u>compare</u> your data with Infobel's Direct Marketing database and thus <u>complete</u> your file?

#### Our added value

We identify different target groups within your existing client database.

We use a detailed range of socio-demographic data, allowing you to split up, target and complete your database.

#### An automated service, fast and reliable

# 1 Automatic standardisation of the file before updating

Addresses are standardised based on the following information:

Full address (streetname & number) - town - postcode

### 3 Delivery of the file: 3 options

- **Delivery in 3 working days >** batch: the file is returned by e-mail or in CD/DVD format
- **Real-time delivery** > automated batch : the file is posted on an FTP server
- Transactional service (return in HTML format)

### 2 Fullfilment

**a. Purchasing a high-quality Infobel Direct Marketing file** Your high-quality marketing file will be created based on the socio-demographic data you select.

#### b. Using your client file or prospecting file as a basis

- 1. Based on socio-demographic criteria available, identification of a target group within your address file.
- 2. Increasing your prospecting database using your target file after deduplication of your data with those in the Infobel Direct Marketing database.
