

The POWER of WE. Join the movement.

Together, united, we can achieve measurable results and inspire hope.

One organization cannot do it alone, but United Way is able to take a step back and think in terms of big picture solutions. By connecting resources through community knowledge and strategic partnerships, we can make a difference.

That is what it means to LIVE UNITED.

WHY SHOULD YOU SUPPORT UNITED WAY?

United Way of Central Minnesota is about so much more than a donation form you complete once every year.

Effective Solutions

United Way's five goals within the impact areas of education and basic needs include:

- Homelessness
- Access to Food
- Financial Stability
- Quality Out of School Time
- Early Learning/Early Literacy

United Way of Central Minnesota connects community resources to accelerate community-wide solutions creating positive change.

Convenience

Donating to United Way of Central Minnesota is quick and easy through payroll deduction or one-time gifts.

Community Leadership

We make certain that the programs we fund produce the results Central Minnesota needs. A group of dedicated community members and subject matter experts work with local agencies to thoroughly review their programs. Once a program is funded through United Way, these volunteers also monitor program goals and outcomes to ensure they are producing results.
