

Introducing MyWave Connect Portal

We're excited to provide a new resource to you as a valued client of Concklin Insurance: MyWave Connect. This resource portal is your one-stop source for not just insurance but all your risk management, compliance, safety and other business needs.

We've partnered with a reputable company called Zywave to provide this portal. All the content is written by their team of experienced attorneys and professional writers, so you never have to worry about validating information again. Get to know some of the areas of your portal and how its resources can make your day easier. Receive emails announcing new content tailored to your industry, state and preferences as often as you like. And if you have any questions—at any time—feel free to contact your Concklin Insurance representative.

Take control of compliance.

OSHA compliance

Find everything you need to make sure you're in compliance with OSHA regulations, from educational briefs written in plain language to FAQs.

Essential regulations

Stay up to date with regulatory updates and other compliance needs, including workplace regulations, DOT/FMCSA updates and more.

Access workplace policies and forms.

Safety manual

Putting together a safety manual and gathering relevant policies is a daunting task—find everything you need in MyWave Connect. Just search “policy” to find a wide range of sample policies, or access our comprehensive, customizable Safety Manual.

Common forms

Also get access to a number of common forms, from return to work to claims to job-specific forms—and much more!

Manage industry-specific exposures and risks.

Industry exposures

Each industry has unique exposures, risks and liabilities. Find materials specific to your industry, including risk management education, coverage explanations and employee safety resources by typing your industry into the search bar. (Be sure to customize your preferences in the “Settings” area so you only see resources specific to your state and industry!)

Find what you’re looking for—fast.

Just about everything mentioned in this document can easily be found in MyWave Connect via the search bar, with a smart search engine that takes your preferences into account to bring you the most relevant results fast. If you’re having trouble finding anything, or have a question about the portal, don’t hesitate to contact your Concklin Insurance representative!

Create and maintain a safety culture.

Creating or maintaining a safety program

Whether you’re just getting started or need help maintaining an existing safety program, MyWave Connect has all the resources you need, from informational articles to comprehensive guides to employee surveys.

Employee safety resources

Access hundreds of employee-focused resources on a wide range of safety topics to help reinforce your safety culture and communicate important safety topics. Resources include flyers, newsletters, supervisor safety talks, posters, videos and more.

Benchmark surveys

See how your programs stack up to similar employers by checking out the benchmark surveys available on the portal, completed each quarter by thousands of employers across the country.

Workers’ Compensation

Many employers do not fully understand workers’ compensation and that there are actions they can take to drastically reduce their workers’ comp costs—learn about these important topics with a series of educational articles. Plus, access a Return to Work program and workers’ comp state statutes to ensure you’re in compliance with applicable regulations.
