Court files surveillance

If you want to follow the evolution of a court file you have to enable the surveillance option by clicking the button „Adaugă acest dosar la monitorizare.” You can find this button on the page containing file's details.

Once you start following a court file our system will alert you via sms or e-mail whenever:

- a new hearing is established
- a solution is pronounced
- there is an appeal
- a file is reopened

Furthermore, you have access to all those functionalities mentioned in the chapter **Court files Catalogue** (notes, tasks, documents upload) but also you will have acces to the **Legal Calendar**.

Luni	Marti	Miercuri	Joi	Vineri	Sambata	Duminica
