Product Options & Process

Our Standards

Product Solutions

We have been sourcing quality products in Asia for over 18 years and have built a strong supply chain that includes manufacturing, distributing and warehouse partners.

Quality
Focus

Market Need

Our Factory partners have shifted their focus to supplying certified N95 and Disposable Medical Health Facemasks to the world in this time of need.

Trusted
Partners

We were not going to get involved in this until speaking with our medical friends who shared that there is still a great need to connect our medical providers here in the USA with factories who are producing these products.

Our Pledge

We will deliver quality, trustworthy products at the best price possible during this time of need.

www.zipkord.com/medstore

- **Info for larger orders (over 1K units/mask type):**

- Visit www.ZipKord.com/new to get setup in the system
 - You will need a copy of your W-9 and resale certificate if available, along with a credit card to keep on file
 - Visa / Mastercard preferred
 - If documents are not available, please email sales@zipkord.com for assistance
 - After your information is submitted - You will receive an automatic email confirming your account, and providing access to your online ordering portal
 - Next Steps:
 - Log into your portal (click the link in the email)
 - Reset your password
 - Select the items and quantities (Reminder: minimum order of 1K per mask type)
 - Select your shipping address

- **NOTES:**

- **Payments:** Credit Card required (Visa/Mastercard); please note you will not be charged until the products are ready to ship.
- **Shipping Fees/Addresses:**
 - Shipping fees: from China to USA included. Additional domestic shipping fees in the USA will be extra if needed.
 - We are doing our best to avoid additional domestic shipping fees, as we hope to ship directly to your location.
 - Shipping to multiple locations: Separate orders are required for each ship to address.
 - Note: You can adjust the ship to address on each order from your ordering portal.
- **Timing:**
 - We will keep in communication with you on the shipment details. Right now, we are dealing with our factory partners that have inventory ready to ship, but that changes daily. Our goal is to ship out products as soon as we have the orders.
- **Unknown/Other:** please be prepared for things we can't control. We are doing our best to limit that, but this is an uncertain time. We will be in constant communication as we are trying to do the best we can to help.
