WHAT MAKES REMEDIANT STAND OUT?

Remediant's co-founders Tim Keeler and Paul Lanzi developed SecureONE as the **first PAM solution to bring the ease of an agent-less and vault-less approach**

It has the ability to scan more than

100,000 HOSTS

in minutes and provide customers with near real-time insight

A zero trust, just-in-time-administration model to deliver total privileged access security and mitigate the risk of account compromises by

99%

"We built our SecureONE platform in a completely unique way — to only give IT administrators the exact access they need, at just the right time, to protect organizations from data theft via stolen credentials."
