

Digest Plus

Product # 535

Destroys and controls odors the natural way

This concentrated digestant contains selected multi-cultured strains of natural enzyme-producing bacteria. These special strains of bacteria are very efficient at digesting organic waste to help eliminate malodors. They consume organic matter to eliminate odors at their source on most kitchen and bathroom surfaces, toilets, urinals, rugs and carpets.

Use this everywhere:

- Floors
- Carpets
- Sinks
- Drains
- Walls
- Upholstery
- Plumbing
- Dishwashers
- Toilets
- Urinals
- Grease Traps
- Garbage Disposals

Effective against

- Surface odors
- Urine and feces
- Grease and oils
- Soap build-up
- Food and Organic spills
- Vomit

Features and Benefits

- Controls waste and odors without the use of chemicals
- Bacteria eliminates the source of malodors by breaking down and digesting organic waste
- Effective odor control on hard surfaces and carpeting
- Contains both anaerobic (can live in airless environments) and facultative (can live with or without oxygen) bacteria

Properties

Appearance.....	White liquid
Fragrance	Pleasant
Colony count	80 Million/milliliter
Stability	1 year at room temperatures
VOC	<1.0% by wt.
pH 70°C	6.0-7.5
Application	Spray, mist, brush or pour in drain
