# KO-2015

## GRAFFITI REMOVER

**For use on porous surfaces, concrete, masonry and stone. Removes paint, crayon, marking inks and grease.**

**KO-2015 Graffiti Remover is a specially formulated product that will remove graffiti from most porous surfaces. This d’Limonene base will remove spray paint, permanent markers, crayons, and inks. This product meets California Consumer Product VOC requirements (VOC =30%)**

### **DIRECTIONS FOR USE:**

**Graffiti Remover should be applied full strength to the surface using a pump sprayer or brush. Allow a 1-2 minute contact time, then wipe clean with a clean cloth. If the surface needs additional attention, repeat the procedure. On masonry, porous surfaces, or aged graffiti it may be necessary to scrub the surface with a soft bristle brush. Graffiti Remover has been tested on most surfaces without damaging effects, however a small trial application is recommended to insure compatibility with the surface being cleaned.**

### **SPECIFICATIONS:**

**Color ..... Clear blue-green  
Fragrance ..... Citrus  
pH ..... 10.0 ± 0.5  
Specific Gravity ..... 0.972 ± 0.010  
Volatile Organic Compound (VOC) 272 grams/liter**
