

VS 102 - Roach & Ant Spray with Vanilla Fragrance

VS 102 is an EPA registered, residual crack and crevice insecticide spray. VS 102 drops a broad spectrum of insects on contact. This vanilla scented formulation contains esfenvalerate, for residual control up to seven weeks and ETOC for quick knock down and flushing action. The dual action valve and spout allow the product to be sprayed in a powerful straight stream that can be directed into hard to reach areas or a less forceful mist pattern for use as a surface spray on baseboards, etc.

For use by pest control applicators and janitorial maintenance workers to control ants, roaches, carpet beetles, silverfish, mosquitoes, crickets, spiders, waterbugs, scorpions, sow bugs, fleas and ticks in and around homes, hotels/motels, warehouses, schools, office buildings, industrial plants & restaurants.

- Fast knockdown—contains ETOC to kill bugs instantly
- Keeps working—contains esfenvalerate for up to 7 weeks of residual killing action
- Pleasant vanilla fragrance

12 – 20 oz cans per case, 15 oz net weight
