Oven, Grill and Smokehouse Cleaner

“OGS” is a concentrated foaming cleaner is designed for use on ovens, grills, deep fryers, smokehouses and meat curing equipment. Its powerful combination of surfactants and caustic cleaners soften and lift away tough deposits for easy removal with water. Its clinging foam formula works in hard-to-reach areas, and can be diluted for lighter cleaning chores.

Features and Benefits:

- Removes heavily encrusted grease and carbon from ovens, grills and smokehouses
- Produces a “super cling” foam that penetrates through baked-on grease and grime
- Effectively removes carbon & baked-on deposits
- Quickly cleans oils, grease, fats

For Use On:

Ovens, Deep-Fryers, Grills, Bar-B-Ques, Food Processing Equipment, Smokehouses, Meat Curing Equipment.

Chemex Industries, Inc.
