ORGANIK GTC

Drain Line Opener/Grease Trap Cleaner

Use "GTC" to clean drains of grease and clogs quickly, with this amazing liquid. 100% Biodegradable, Environmentally Safe and No Harmful Vapors make GTC the product of choice, to treat your drains and keep them free flowing. No acids or caustics in the formulation of GTC, permit safe treatment of all pipes, lines, traps etc., including PVC, Plastics and all metals.

It deodorizes as it works too. Use GTC to keep all sink, floor and bathroom drains fresh smelling and free flowing. Add GTC directly to grease traps to flush away problem accumulations. Pour into septic tanks, wet wells and drain fields to eliminate odor and grease build up. Excellent hospital and dental lab application, for use in drain lines subject to chemicals from developers such as MRI.

Directions For Use:

Pour 1/2 to 1 cup of ORGANIK GTC for regular treatment of drain lines on a weekly basis.

For grease traps, add 1-2 gallons per 500-gallon capacity for initial treatment. Use 1/2 to 1 gallons per week as a preventative maintenance treatment.

For garbage disposals, pour 1/2 cup down drain. Flush with water.

For general odor control, dilute with 5 parts water and pour or spray directly on affected area.
