ORGANIK

All Natural Solvent

The remarkable solvent, d-Limonene is the foundation of this product. Made from orange peel extracts, d-Limonene has the amazing ability to dissolve grease, grime, oil and tar on contact. By combining d-Limonene with a carefully tested blend of biodegradable detergents and emulsifiers, this product attacks a variety of tasks ranging from the degreasing of engines to removing adhesives from floors. Naturally derived, environmentally responsible and provides a safe alternative to petroleum distillates and harsh alkaline cleaners.

Features and Benefits:

- All Natural, Biodegradable
- Effectively strips away grease, oil, tar and more...
- Powerful safe solvent made from orange peel extract

For Use On:

Grease Deposits, Dirt and Grime, Oil Stains, Tar Deposits and Stains.
