

Technical Report

RUTHLESS

Paint Remover

RUTHLESS is a gel base paint remover. This ready-to-use product quickly penetrates to remove paint, decals, gaskets, glue and labels from surfaces. "RUTHLESS" washes off with water or solvent. RUTHLESS is safe to use on metal, brick, terrazzo, ceramic and wood. Heavy, viscous formulation clings to all vertical surfaces. Works well on highly porous surfaces as a graffiti remover. "Ruthless" contains a chemical seal to prevent the evaporation of paint removing solvents.

Features and Benefits:

- Non-flammable
- Gel based formula clings to all vertical and irregular surfaces
- Removes a wide range of paints and surface sealers from metal concrete and wood
- Ease of Use – Simply spray on and wipe or rinse off
- Adheres to surfaces for long dwell time

Gel formulation paint remover quickly removes paint, epoxy, lacquer, decals, gaskets, shellac, enamel, varnish, labels, carbon deposits, silicone and simulated wood paneling. Product will not run. This formula has been authorized by the USDA for use in federally inspected meat and poultry plants.

For use by auto dealers, paint shops, maintenance departments, engine rebuilders, factories, furniture refinishers, painters, sign builders, schools, motels, hotels, hospitals and offices. For use on metal parts, plaster, concrete, tile, glass, ceramic, engine parts, valve seals, paint guns, paper, wood, stone, masonry and cylinders.
