WASH & WAX

H.D. Car & Truck Wash & Wax

Wash & Wax is a heavy duty automobile and truck wash. When used through a pressure washer with 600 psi, this product removes road film, grease, grime and soils. This product is a unique combination of emulsifiers, wetting agents and soil suspension agents. Very effective even in hard water. Dilute with hot water at the rate of 1 oz per gallon and with cold water at the rate of 4 ounces per gallon. Removes the grease, grime and soils along with road film that conventional automotive cleaners can't touch. Can be used at higher concentrations if conditions warrant. Leaves a waxy sheen. Biodegradable.

Specifications:

FORM: Liquid

ODOR: None

COLOR: Green

DETERGENCY: Strong

TOXICITY: Non-Hazardous

WETTING ABILITY: Excellent

STORAGE STABILITY: 1 Year+

COLD STABILITY: 32° F

PHOSPHATES: 9%

FLASH POINT: None

BOILING POINT: 212° F+

SOLUBILITY IN WATER: 100%

SPECIFIC GRAVITY: 1.1

% VOLATILE BY VOLUME: 73%+

pH: 13.3

VISCOSITY: Medium

EVAPORATION RATE: Slow

BIODEGRADABILITY: Yes
