

CLR® PRO Calcium, Lime & Rust Remover

Product Specifications

Item # CL-4 Pro

UPC: 0-78291-21083-5

Carton UPC: 100-78291-21083-2

1 Gallon: 4 – 128 oz bottles

38#, 36 cases per pallet, pallet configuration 9x4

Item # CL-5 Pro

UPC: 0-78291-21005-7

5 Gallon: 1- 5 gallon white pail

48#, 36 cases per pallet, pallet configuration 12x3

Item # CL-55 Pro

UPC: 0-78291-21055-2

55 Gallon DRUM: 1-55 gallon drum

500#, 4 cases per pallet, pallet configuration 4x1

Product Features & Benefits

- Non-toxic use for cleaning and maintaining commercial washing machines, dishwashers, aluminum and vinyl siding, toilets, sinks, and more
- For use with power washer
- Great for use in boats to clean fiberglass (with exception to boats with gel coating)
- Powerful and effective to dissolve the hardest of calcium and lime buildup
- Safe on all plumbing, such as copper, plastic PVC, etc.
- Use safely on light colored grout (ex: white, bone, sand, natural colors)
- Biodegradable
- Septic Safe, won't harm flow of septic
- EPA's DfE formula for safer chemistry

- *Important use information:*

- Please see MSDS sheet for more information
- Contains water, lactic, gluconic & surfactants
- Do not use on natural stone, may etch surface
- Do not use on certain metal finishes such as brass, copper, and aluminum
- May lighten Formica® or any painted surfaces due to lightning power of lactic acid
- Do not use on dark colored grout (gray, black, brown, etc.)
- Avoid contact with wood, clothing, wallpaper and carpeting
- Do not mix with other chemicals, bleach or acids as toxic fumes may result
