## PRODUCT DIRECTIONS

- For use with Triple Zero degreaser. Fill through the drain plug on the end of the unit. Always disconnect the power supply when filling or emptying.
- Connect the power cord into a standard 110 outlet with ground. Circulation and brush are activated when machine is switched on.
- Do not operate dry, or damage to the pump may occur.
- To move Triple Zero Parts Washer, ensure drain plug is in place. Turn off unit and unplug power cord. Lift up the unit via hand grips on each side. Keep flat during transport. Do not move unit while in operation.

**CAUTION: DO NOT USE ANY FLAMMABLE PRODUCT  
IN THIS WASHER - ONLY WATER-BASED PRODUCTS MAY BE USED.**  
USE OF ANY SOLUTION THAT IS NOT WATER-BASED WILL VOID THE WARRANTY  
AND MAY CAUSE BODILY HARM TO THE OPERATOR OR OTHERS IN THE AREA OF USE.
