

Coronavirus (COVID-19) Update:

Your health and safety remain a top priority to Tim O'Brien Homes. We are constantly monitoring recommendations by national and local health agencies such as the Centers for Disease Control and Prevention (CDC) and the World Health Organization (WHO). During this time, we continue to remind our entire team of our core purpose: Positively Impacting People's Lives.

Effective Friday, March 20th, our Model Homes will be open to the public 'by appointment only'. We also ask that you keep your group to no more than 4 individuals and stay the suggested six (6) feet from another individual while in a Model Home or Ready Home in order to mitigate the risk of potential exposure/transmission. We are encouraging everyone to schedule an appointment if they have not already done so.

Our Milwaukee and Madison Area Design Studios will be operating 'by appointment only' in order to further reduce interaction between groups. If you already have an existing appointment at the Design Studio or one of our Model Homes and do not feel comfortable with a face-to-face meeting or tour, please contact us to schedule a phone call or video conferencing call.

While we all work to navigate this new environment, we also ask that you please consider the following questions when planning to visit an open house or attend a scheduled appointment:

1. Have you or any of your family members in your household traveled out of the country in the last 14 days?
2. Have you or any of your family members in your household been exhibiting any of the following symptoms:
 - Shortness of Breath
 - Fever
 - Sore Throat
 - Sneezing
3. Have you come in contact with anyone in the last 14 days who are now in self-quarantine?

If you answer "yes" to any of these questions, then please schedule a phone call or virtual appointment rather than an in-person visit.

Keep in mind that we do offer up-to-date information on Ready Homes for sale, neighborhoods, and a variety of virtual tours of our home plan portfolio at TimOBrienHomes.com.

It is still a great time to build or buy your dream home with Tim O'Brien Homes. Mortgage rates are historically low and the inventory and opportunity is high, so take advantage and contact us today! We will work through these new challenges together! We always strive for open and honest communication in any situation. Thank you for your patience and understanding during this time.

Building For The Way You Live.
