

Hi Everyone,

This is the thirty-third monthly update email for the **Chisos Circle**. If you would like to read through previous updates, we've created an archive of past update emails [here](#).

Fund Updates

- Chisos Capital Fund II ([Open for investment](#))
 - We made 3 investments in August across Logistics, Robotics, and the Creator Economy.
 - Joshua Ermias, founder of [Door Robotics](#) (San Francisco) - the first fully autonomous drone with a fully integrated 360 degree camera, automatic measurements, and AI-driven insights.
 - Gabriel Cepeda, founder of [Pickups](#) (NYC) - improving fulfillment, delivery, and returns logistics in cities by putting everyday extra space to work.
 - Andrae Washington, founder of [Bingebuilder](#) (NYC) - a first of its kind tokenized IP accelerator for the creator economy.
 - Our pipeline keeps growing - We have 4 term sheets out right now across PetTech, Fintech, and SaaS.
 - We have our next close of the fund slated for end of September. **We'll be increasing our investment minimums to \$100k after the close.** Please reach out if there is interest in joining this upcoming close.
- Reminder: We held our 2022 Fund I & Fund II (LP) investor meeting last month where we discussed our current portfolio metrics, investment outcomes

and our ever improving sourcing, underwriting and servicing activities. We have a recording and a presentation deck of the meeting available upon request.

Additional Updates

- We are pleased to announce that [Emmanuel de Boucaud](#) is now a General Partner of the firm. After working with Chisos for 3 years as an Advisor on Capital Finance and Strategy, Emmanuel has upped his commitment to our activities and is joining us in all aspects of scaling our Asset Management and Fintech platform endeavors.
- Portfolio company Vestr launched their app in the [App store](#).
- Our 3rd Chisos Investor Dinner in Orange County was another huge success! (Picture below). Great turn out and good conversations about investing directly in people.
- I'll be in Austin Sept. 11-13 for the Opal Emerging Managers conference. I'll be speaking on a panel titled - Non-Correlated & Niche Investment Strategies and Sectors.
- Our conviction around Investing In People continues to garner validation (If you missed it - [Is Selling Shares in Yourself the Way of the Future?](#)). INSPIRR will be the DIY platform for people to invest using our CISA. Our [website](#) is live with much more to come on this as we refine our launch plans. We are looking for an individual who can step in and own this product/platform, taking it from beta to growth stage. If you know anyone that might be interested please let us know.

Please forward this email to anyone who might be interested in what we are doing.

Always feels free to reach out with any questions or comments!

Best Regards,
Will Stringer
