

Event Registration Services

Our event registration services leverage highly-skilled, compassionate customer experience experts and cutting-edge technology to support the success of your programs, workshops, and community events.

Our Event Registration Services Ensure:

- ✓ **HIPAA and PCI compliance throughout the entire process**
- ✓ **Your organization's information is always up-to-date**
- ✓ **Optimal operational efficiency via secure CRM integration**
- ✓ **Important information, such as patient demographics, is collected**
- ✓ **Key metrics are tracked through advanced, real-time analytics and reporting**

When existing and prospective patients engage with our event registration experts, we approach their needs with the same care you would, ultimately:

Driving patients to
system services

Promoting other
relevant services

Fostering patient
loyalty

Boosting your
bottom line

How We Can Help

- ✓ **Inbound call or online registration**
- ✓ **Payment collection**
- ✓ **Event email confirmations**
- ✓ **Participant tracking**
- ✓ **Event-specific targeted marketing**
