

Signage for Bars and Restaurants

Raydiant makes it easy and affordable for any businesses to bring news, menus, promotions, social media, and more to any TV, without a designer. Thousands of businesses use Raydiant to increase sales, improve guest experiences, and engage employees.

How can Raydiant transform your bar or restaurant?

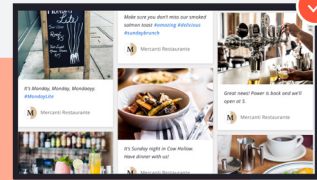

Promotions & Specials

Tell your patrons about specials, events, new menu items, and more with Raydiant's engaging apps.

Licensed Music

With Soundtrack Your Brand and Raydiant, you can stream fully licensed music for a low monthly fee.

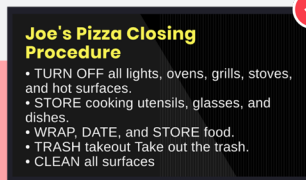

Social Media

Keep your customers connected and engaged with live social media displays.

Stunning Digital Menus

Did you know that digital menus sell up to 30% better than paper menus? Bring your menus to life with Raydiant, no chalk required.

Opening & Closing Procedures

Make sure employees don't miss a beat. Schedule your opening and closing procedures on Raydiant displays.

Compliance Messaging

Lawsuits are expensive. Reduce your exposure with compliance messaging on Raydiant.

What is a ScreenRay?

ScreenRay is a small HDMI device that transforms any TV into a digital sign. ScreenRay? Just plug it into a screen and within moments you'll be publishing content.
