

NEVADA DONOR NETWORK PROMOTES DARREN LAHRMAN TO DIRECTOR OF ORGAN SERVICES

Las Vegas, April 18 – Nevada Donor Network (NDN) is pleased to announce the promotion of Darren Lahrman to Director of Organ Services. Lahrman originally joined the NDN team in 2017 as the organization’s Manager of Organ Services.

Lahrman began his career as a Registered Respiratory Therapist and holds a Bachelors of Science in Respiratory Care from Boise State University. Prior to joining the Nevada Donor Network Team, Lahrman served as a Procurement Transplant Coordinator for Indiana Donor Network.

In his role as Director of Organ Services, Lahrman will provide leadership oversight, support, and development opportunities for his team whose primary responsibilities include overseeing the donation process through donor management, organ allocation, and organ recovery for potential organ donor heroes. Under his guidance, the Organ Services team will continue to provide the highest level of care for heroic donors and their courageous families on behalf of those we serve in order to provide lifesaving transplants to the more than 580 Nevadans and 115,000 people nationwide waiting for a second chance.
