01. My employer and their products and services

I am employed by Kiwi Wealth Investments Limited Partnership (formerly known as Gareth Morgan Investments Limited Partnership), who in conjunction with Kiwi Wealth Limited trade as Kiwi Wealth. KWILP (formerly GMILP) and Kiwi Wealth Limited are associated entities of Kiwibank Limited and members of the Kiwibank QFE Group. 02. Scope of service

My scope of service is limited to investment and related matters. If you require advice on broader aspects of your financial situation, such as personal risk management or formal debt management, I recommend that you speak to an Authorised Financial Adviser who is appropriately qualified and specialises in those particular areas. I am not qualified to provide advice on taxation, legal or insurance matters. I recommend that you seek independent legal and/or taxation advice.

My statement of advice to you will summarise the information you have provided to me about your financial position and your objectives and goals; I will set out a recommendation on an appropriate strategy to reach your goals considering this information. The advice I provide to you will be limited to the information you provide to me. It is important that my understanding of your financial situation, objectives and goals is accurate and up to date. I encourage you to let me know if any of your information I have used to prepare an advice or recommendation is incorrect or if there is other relevant information I should consider

03. Financial adviser service provided

I provide financial advice in relation to investments, where I can offer an opinion to you on whether your existing investment portfolio structure is suitable, based on your risk tolerance and investment needs. I can give advice on classes of investments and individual investments including, but not limited to, the Kiwi Wealth Private Portfolio Service, the Kiwi Wealth KiwiSaver Scheme or the Kiwi Wealth Super Scheme. The advice I give is not limited to securities of a particular issuer or issuers.

I provide an investment planning service to assist clients and members in the setting of an appropriate investment mandate for their circumstances within the Kiwi Wealth Private Portfolio Service, the Kiwi Wealth KiwiSaver Scheme or the Kiwi Wealth Super Scheme. This is based on an analysis of your current and future overall financial situation and identification of your investment goals. The amount of the bonus payment I may receive is based on both company and individual performance. Where awarded, this bonus is paid from a dedicated pool of revenue, rather than from fees attributed to the adviser.
