ETR

# A unique experience.

The Club-Executive option is a truly exclusive lounge which combines elegance, technology and service to exceed the needs of passengers who like to travel in style.

- Environment located in carriage 1 at one of the two ends of the train for guaranteed quietness.
- More comfortable and spacious reclining seats upholstered in leather and featuring a soft enveloping headrest: 11 seats in an “open space” and 2 living rooms for 4 people
  - answering the needs of passengers who require utter privacy.
- Individual \* 9-inch touchscreen and individual USB ports\* in addition to the power socket.
- New LED lighting\* throughout the environment
- Free Wi-Fi.
- Free access to the Italo Live portal to enjoy movies, newspapers and much more multimedia content.
- Special catering service providing sweet and savoury snacks as well as cold and hot drinks, including espresso coffee; a selection of breakfast pastries and gourmet bakery items for consumption at main meals.
- A wide selection of the top national newspapers and magazines for comfortable browsing while you enjoy your train journey.
- Free access to the exclusive Lounge Italo Club.
- Dedicated train entrance for fast-track-service passengers.

\* Touch screens present on the AGV trains and USB ports and LED lighting present on ETR trains.

# Italo trains are completely ticketless.

All customers need to do is provide the first letter of their PNR. The staff will then be able to retrieve all the customer details.

## Travel to the Top.

Our mission is to provide passengers with a consistent and customised level of assistance throughout their journey - elevating passenger experience is what Italo style is about.

That is why we carefully train our on-board staff, carefully selecting all candidates and all staff members have an excellent knowledge of English.

**TRAIN MANAGER**  
Captain of the train

**HOSTESSES AND STEWARDS**  
to assist, inform and serve you.

### FREE INTERNET WI-FI

All journey ambiances on our trains have a free Internet connection. To connect your pc or mobile device, simply sign in to our Italo Live portal and get authentication by using your ticket code or e-mail.

### VENDING MACHINES

It is quick and easy to treat yourself to an espresso coffee, cold drink or snack either from our vending machines located in Coach n. 3 of our Prima ambience or from Snack Area of Coach n. 7 of our Smart ambience.

### SUPERIOR PASSENGER SAFETY

Each coach is equipped with security cameras and luggage compartments with lockers.
