

Technology Checklist

Digital Teaching & Learning

Follow these requirements and recommendations to ensure a seamless experience.

Please note that districts and/or individuals must provide their own computer devices.

Web Browsers Supported:

Latest version of **Google Chrome**. Chrome is the preferred browser. Safari, Internet Explorer, and Microsoft Edge are **not** compatible.

Desktop Operating Systems Supported:

Latest versions of Windows/Mac/Chrome operating systems

Unacceptable Devices:

iPad minis, Kindle or Galaxy tablets, and smartphones

Software Recommendations:

- Fully patched machine—all updates sent out by the vendor/company have been installed, so the operating system is fully updated
- Firewall and antivirus/antimalware updated and enabled

Network Requirements:

- A minimum of 3 Mbps is recommended, 5 Mbps is ideal

Additional Recommendations:

- Microphone and camera connected to the device
- Headphones
