THE KEYS CAFE STORY

In 1973, the first Keys Café opened for business in St. Paul on Raymond Avenue. **Barbara Hunn** founded this first adventure, refining and improving her successful formula. Together with her family, the Keys Cafes have expanded to Nine Twin Cities locations. Keys is recognized and awarded both locally and nationally for our fine food. The Keys philosophy is simple: memorable service and absolutely the best food... breakfast, lunch, dinner, and dessert created from scratch recipes "you grew up with". Please keep in mind that during our busy times, your meal may take a little longer to prepare, but it's being made just for you. Our Family is very proud to be a Twin Cities Institution for over 48 years. Our family looks forward to continuing this philosophy with our incredibly hard-working dedicated team of employees and our amazingly loyal customers.
