Gunn Property Services, LLC will pay the referring agent's brokerage a one-time fee. This fee will be paid to the referring agent's brokerage once the client has signed a property management contract and the property has been rented. If the property is currently rented then the referral will be paid upon contract signing. We recommend that the referring agent prepare the owner in advance for our contact and send them to our website for additional information about our services so our initial introduction will go smoothly.
