

CAMPION

WARRANTY

DEALER RESPONSIBILITIES

2020 Model Year Terms & Conditions

Dealer Demo Boats

Warranty coverage may be affected on boats that are used for extended personal use or demonstration. The 2-year vinyl, 2-year canvas and 3-year gelcoat fracture warranties are examples. In cases where the warranty coverage has been affected, Champion may at its discretion, offer the dealer assistance to prepare the boat for initial sale.

Non-Current Boats

Boat components may suffer damage due to prolonged exposure to weather conditions. Warranty coverage on items such as vinyl and canvas may be void if the boat is at the dealership longer than two calendar years.

Items covered by parts manufacturer's warranties are subject to their items of coverage. Warranty coverage by the part manufacturer may begin when the dealer takes possession of the boat, and not when the boat buyer takes possession.

Boat Delivery Inspections

Each boat must be inspected for damage and reported, with photos, within 5 working days, to the Champion Warranty Department at warranty@championboats.com. Damaged reported after the 5-day period will not be covered under warranty and repairs related to this damage will become the responsibility of the dealership.

Shrink-wrap must be removed within the 5-day period as condensation may cause blistering under the tape line. Removal of shrink-wrap will also provide the opportunity for a complete inspection.

***Decals**

Inspect decals upon delivery of the boat of the dealership. Point out any damage / defects to the driver and ensure details are noted on the driver's load sheet. Email photos to warranty@championboats.com within 5 working days of delivery. Decals are easily damaged during normal use (docking, trailering, etc.) and are not covered by warranty.

It is important that feedback be returned to our production / shipping departments as soon as possible following delivery to your dealership.

Boat Storage Inspections and Care

New boats that are stored on dealer's lots for extended periods require regular inspection and care. Champion recommends that boats are inspected weekly. Boats require good air circulation and frequent inspections to ensure rain water, bug waste, rodents, birds, etc. do not cause damage to the finish and components.

Email askus@championboats.com * www.championboats.com

Boats being stored beyond 1 year require the stainless finishes to be polished and vinyl surfaces cleaned with a method recommended by our supplier. Our vinyl supplier currently recommends cleaning light soiling with a solution of 10% household liquid dish soap in warm water, applied with a water-dampened cloth. Rub gently and rinse with a water dampened cloth.

Boats in storage for over 2 years that show evidence of neglect or improper care will be subject to warranty coverage revisions.

EFFECTIVE WITH ALL 2020 MODELS

Disclaimer

The information in the Campion warranty policy supersedes all other publications, including but not limited to, Owners Manuals, Supplier brochures and Internet sources.

Limited 10 years – Hull

Campion warrants the hull, stringers, motor mounts, hull and deck joints including floor and transom of each new Campion to be free of structural defects in materials and workmanship under normal use for a period of 10 years from date of delivery to the original retail sale.

Limited 10 Years – Deck

Campion warrants the deck including hull and deck joints of each new Campion to be free of structural defects in materials and workmanship under normal use for a period of 10 years pro-rated from date of sale to the original retail sale.

Limited 3 Years – Blister Free

Campion warrants all boats to be blister free for a period of 3 years pro-rated.

Limited 2 years – Canvas

Campion warrants all "Sunbrella" canvas for a period of 2 years pro-rated.

Limited 2 Years – Components

Campion warrants bilge blower, steering wheel, seat mechanisms and hinges for a period of 2 years. When these or other components are covered by the parts manufacturer's warranty, their warranty becomes the warranty in effect.

Limited 2 Years - Upholstery

Campion warrants upholstery for a period of 2 years pro-rated. It is essential that boat owners use care and cleaning practices as approved by the vinyl manufacturer.

Wake Towers & Towing Cleats

The manufacturers of Towers and ski poles administer their own warranty policies. Towers, ski poles and Campion Tow cleats are not designed for towing inflatable tubes or other boats. These are designed to pull a water skier, wake surfer and wake boarder. Towing anything other than what they are designed for will result in voiding the warranty and may create a potential safety hazard. Stresses on Wake Towers may loosen tower joints. Tower bolts need to be checked prior to each use.

Instruments

Faria Marine Instruments has successfully implemented a Dealer Direct Instrument warranty process. Champion Marine supports Faria's efforts to ensure an efficient process those results in longer coverage and a fast replacement time.

Transfer of Warranty

Champion's confidence in the product and our warranty commitments can extend after the original purchaser chooses to move on to another new boat. The remainder of the original warranty can be transferred to the second owner for a fee of \$195. This warranty is transferrable within 5 years of the original retail sale. The transfer fee must be paid within 30 days of the used boat purchase. Only applies for boats manufactured August 1, 2019 forward. Contact warranty@championboats.com. Proof of purchase date is required.

CONDITIONS

Limited 10 Years – Hull and Deck Warranty

Any structural hull / deck defect in fiberglass material or workmanship which is reported within ten years of the date of the original retail purchase, will be repaired or replaced at Champion's sole discretion. The hull shall mean the single fiberglass molded shell and integral structural components. The deck shall mean the fiberglass molded shell and integral fiberglass structural components above the hull flange, example: rubrail. A structural hull / deck defect shall mean a substantial defect in the boats hull / deck which causes the boat to be unsafe or unfit for use as a pleasure craft under normal boating conditions.

Limited 3 Years – Blister Free Warranty

If the blister repair is done in the first year of ownership by the original purchaser, Champion will be responsible for 100% of the repair. If the repair is done in the second year Champion will be responsible for 66% of the repair. If the repair is done in the third year Champion will be responsible for 33%.

A marine barrier coating must be properly applied to the hull bottom if the boat is to be left in fresh or salt water for more than 30 days in any 90 day period. A marine barrier coating is also required if the boat is to be bottom painted (failure to take such actions in such circumstances will also void this Three Year Limited Hull Blister Warranty)

Warranty coverage is limited to a one-time repair not to exceed \$150 per foot of boat length prior to pro-rating.

Limited 2 Years Pro-Rated Warranties

If the repairs are done in the first year of ownership by the original purchaser, Champion will be responsible for 100% of the repair including parts and labor. In year two Champion will be responsible for the replacement of the parts only.

Owner Obligations

Transportation costs are the owner's responsibility. Transportation to and from an authorized Champion dealer or to and from the Champion factory for warranty repair will be at the owner's expense.

In no event will the liability of Campion under this warranty exceed the purchase price of the specific item or items to which this warranty relates.

All warranty repairs are subject to authorization of factory trained personnel of Campion Marine whose decision will be final.

The owner must notify the dealer from whom the boat was purchased of any claim under this warranty within thirty (30) days after the claim or defect is or with reasonable diligence should have been discovered.

The owner must follow any service guides available from Campion Marine or by the manufacturers of component parts.

Campion will not be liable for special or consequential damages, such as, but not limited to, damages for cost of replacement goods, or damages for claims of third parties against the purchaser, or damage for loss of profit and / or use.

To validate this warranty, the original retail purchaser must sign the 'Customer Quality Assurance Record' which contains warranty registration information. The 'Customer Quality Assurance Record' must be returned to Campion Marine within 15 days after the purchase of any new Campion boat covered by this warranty.

In no event shall Campion Marine be responsible for incidental, consequential, or other damages including, but not limited to expenses for gasoline, mechanics travel time, launch and haul-out charges, towing charges, rental for like product while service is being performed, travel, lodging, loss or damage to personal property, loss of use of product, loss of time or convenience. Campion dealers are not agents of Campion Marine.

THIS LIMITED WARRANTY DOES NOT COVER:

- Windshield breakage, fading and deterioration of paints, canvas, upholstery and fabrics.
- Gelcoat surfaces including but not limited to cracking, crazing or discoloration beyond the 1-year limited period from purchase date or PDI date or launch date to the original purchaser. Through the processes of lamination and gelcoat application, cosmetic gelcoat imperfections may occur. At its discretion, Campion Marine reserves the right to determine the necessity for repair of such minor imperfections.
- Damage caused by misuse, accident, negligence, galvanic corrosion, lack of proper maintenance or improper transportation or trailering.
- Accessories and items which were not part of the boat when shipped from the Campion factory and / or damage caused thereby;
- Component parts covered by part manufacturer's warranty. This includes but is not limited to; pumps, instruments, stereos, propellers, controls, wakeboard tower, ski tripod bar, or any other components covered by the manufacturer's warranty.
- Any boat that has been re-powered beyond Campion's power recommendations.

Email askus@campionboats.com * www.campionboats.com

- Warranty does not apply to engines, outdrives, propellers, controls, generators, air conditioners, radios, wake towers, TV/VCR, radar, VHF radios, appliances or items that carry their own separate warranties.
- Any Champion boat that has been misused, used in a negligent manner, altered, used for commercial purposes, racing or rental.
- Finished glass surfaces, fabrics, chrome plated or stainless steel finishes due to varying effects resulting from different climatic conditions.
- Powder coated surfaces are not covered under this warranty policy. Boat owners are advised to ensure marine sealant is used to seal any holes drilled into power coated parts. Scratches and chips in the coating must be refinished to reduce corrosion forming under the power coated surface.
