

Hoffman

Building Technologies, Inc.

Est. 1987

February 2019

Selling and integrating air conditioning systems, energy conservation, lighting automation and temperature controls. Serving the Carolinas, Virginia, & Georgia Since 1987.

Products

- Alerton Building Automation Systems (BACnet)
- Tridium and the Niagra Framework (Integration)
- Aircuity (Air Quality and Demand Control Ventilation)
- nLight (Lighting Control Systems)
- Lithonia Lighting Products & Retrofit Solutions
- Continual Energy, Honeywell & Belimo
- EnOcean & Zigbee Wireless Controls
- Phoenix Controls

Services

- Service Agreements
- Preventative Maintenance Plans
- System Retro-Commissioning
- Database Protection
- Sensor Calibrations and Validation
- 24/7 Emergency Repairs
- Systems Training
- Energy Dashboards
- Chiller Optimization Solutions

Interoperable Building Automation Systems

Integrated Sensing and Control Solutions for Indoor Environmental Quality

Precision Actuators, Valves and Sensors, Energy Valves

Sensors and Actuators

BacNet Enabled Lighting Controls

Precision Airflow control for critical spaces: laboratory, fume hood, pharma, healthcare, life safety, Venturi valves, Fume Hood Controls

Systems Integration

The Hoffman family of companies:

HOFFMAN & HOFFMAN, INC.

100% Employee Owned

The Hoffman Companies

Since 1947, Hoffman & Hoffman, Inc. has served the Carolinas, Virginia, and East Tennessee in the selection and application of commercial and industrial heating, ventilation, air conditioning, filtration and direct digital control (DDC) systems. Our family of companies represent manufacturers of the highest quality HVAC equipment and controls available on the market today. Through one of our (14) fourteen regional branch offices, our professional sales engineers can assist you in most commercial and industrial HVAC and filtration projects. We employ Certified Energy Managers (CEM), LEED accredited professionals and professional sales engineers dedicated to meeting the heating, filtration, ventilation and air conditioning needs of engineers, owners and contractors. Delivering engineered, flexible, economical and environmentally responsible solutions for commercial, industrial and institutional heating, ventilating, air conditioning and refrigeration requirements is our top priority.

Hoffman Building Technologies, Inc. - 800-332-8992

Hoffman Building Technologies, Inc. mission is to provide and service facility and energy management systems that exceed the expectations of our customers. Our objectives are to grow our customer base by providing the best total value, while offering new or better solutions that complement our core competencies and to serve our customers needs by building relationships based on trust and a focus on quality. Hoffman Building Technologies began as a division of Hoffman & Hoffman, Inc. in 1987 and has utilized the latest technology in networking, integration and communications to create an environment that is comfortable, productive and safe for our customers.

Parts - 800-332-2295

Hoffman & Hoffman, Inc. has a full staff of knowledgeable parts technicians to assist you in identifying and obtaining OEM replacement parts for all lines of equipment that we represent. We have access to manufacturers we represent currently and many old brands such as Remington, Herman Nelson, Chicago Pump, Singer and others. Visit our website www.hoffman-hoffman.com to complete a Parts Request Form under the Replacement Parts link or give us a call.

Warehouses - 800-334-0254

We now have two warehouses located in Greensboro, NC and Columbia, SC to better serve our customers. Our 50,000 square foot Greensboro warehouse allows us to provide products on a one-day delivery to locations in the Carolinas and Virginia and two-day delivery in Tennessee. All locations have customer pick-up available as well.

Hoffman Mechanical Solutions, Inc. - 855-761-HVAC (4822)

Hoffman Mechanical Solutions, Inc. is fully dedicated to aftermarket mechanical service as reflected by our 24/7 emergency repair service availability. We are committed to prompt response and problem resolution for all the mechanical products we sell and are prepared to provide flexible service contracts and repairs to meet the needs of our customers. Additionally, we offer factory start up services for ABB, (VRV), Daikin Applied, Marvair, Greenheck, Climacool, and Evapco. For non critical service requests, feel free to contact your local branch office.

Mr. GoodTower® by Hoffman Mechanical Solutions, Inc. - 855-761-HVAC (4822)

Hoffman Mechanical Solutions, Inc. offers Mr. GoodTower® Services. Evapco's Mr. GoodTower® program is a comprehensive parts and service program for all brands of evaporative cooling equipment. Maintenance, training programs, unit inspections, service, equipment upgrades, parts and replacement units are all services provided by your local Mr. GoodTower®.

Manufacturers vary by state. Contact your local Hoffman representative for more details.
