

Introducing the Generation Homes

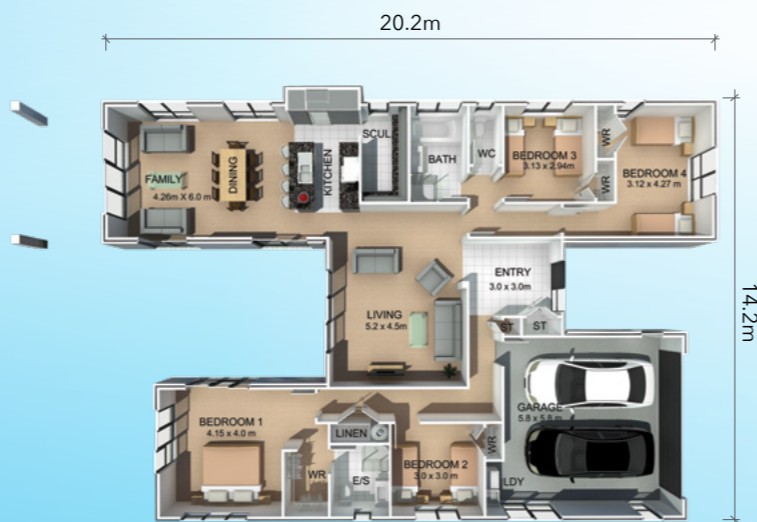

Pavilion Range

At Generation Homes we keep up with the trends, ensuring our house plans move with the times and are meeting market demand. And so, new ranges develop. We are proud to introduce the Pavilion Range, designed with contemporary living in mind.

Houses within the Pavilion Range have been designed with modernity and family living in mind. The majority feature four bedrooms, two bathrooms, two living areas and a covered alfresco living area. The choice of gable or mono-pitch rooflines are on offer in this exciting new range.
