

## Simple and Complete

Answer freestanding is uniquely designed to help customers leverage the Answer family of products in a whole new way.

From open plan to private office, Answer freestanding provides a breadth of applications to support collaborative and focused work, meeting all the needs of your workplace with one kit of parts.

With Answer freestanding, you can design a consistent aesthetic across the floor plan and create simple, effective individual and team applications – designed to coordinate and reconfigure with ease. Plus, seamlessly integrate the entire Answer portfolio with Universal Storage.

Select from a broad range of material options so you can make a statement, expressing the brand and culture of your workplace.

Conveniently order Answer freestanding desks as a single style number, or customize by selecting a broad range of Answer freestanding components.
