## CLASSIC SERIES EXTENSIONS

### SLIDING ARM EXTENSIONS:

- SLD** - Sliding Side Arm Extensions with Standard Upholstery (set of two)
- SLD-NT** - Sliding Side Arm Extensions with Natural Touch Upholstery (set of two)

18.5"L x 4"W x 3"H

Qty \_\_\_\_\_

*\*For Basic Classic Series Tables only*

Bring flexible width to your Custom Craftworks Basic table models with our Classic Series Sliding Side Arm Extensions. They add a full 8" of torso width and also smoothly slide 3" up or down so you can customize the shape of the table to fit each individual client. The easy-to-use, removable extensions are crafted of the same soft vinyl that's on your Classic Series table.

Please note: For use only with Basic tables with existing sliding side arm holes. For adding width to tables without side arm holes, see our bolster side arm extensions.

Handcrafted in the U.S., our Classic Series Front Arm Rest Shelf not only delivers comfortable arm support for clients during a treatment session, but provides therapists with a tool for enhanced treatment effectiveness. The unique position of the arm rest opens better access to the shoulder girdle for joint mobilization and enhanced range of motion. The double strap system easily attaches to most face rest bases and the wide, firm arm support securely provides the additional surface area your clients want.
