DELEGATE SOLUTIONS

est. 2007

Welcome

What We Believe

At Delegate each day we have the opportunity to help other people achieve their dreams in tangible ways. Our values, vision and mission unite, excite and encourage us to press on and do the best work we can for our clients. We all are part of the delivery of our service. When working with our clients, we want to see each team member display and embody these core values as you represent us.

-- Emily

our mission

Our Mission is to help reshape the culture of the traditional workforce into one that values quality, flexibility, contribution and effectiveness.

our vision

Our Vision is to become the premium US-based boutique strategic support firm. Our infectious culture of helping others shines through internally and externally. By combining our sophisticated service execution and mastery of delegation, we help others expand their impact and meet their goals faster than they could alone.

our core values

We always:

- Operate with honesty, integrity and transparency
- Proactively seek ways to create value for our clients
- Act as generous, friendly, resourceful problem solvers
 - Create a WOW experience for our clients
- Honor our commitments and remain goals-focused

Our team is filled with teammates that want to:

- Enjoy passion-based, professional work
- Help others to simplify the complex
 - Live balanced, connected lives
- Serve with consistency and sophistication
- Promote reciprocity and collaboration across the team
