

2019 Product Guide & Price List

DESIGNED SMART. BUILT SOLID.®

FOOD SERVICE EQUIPMENT

Effective 1.1.2019

Workline

SERIES

POWER

- One of the highest BTU ratings in its class delivers more power to the pan
- Reduces amount of labor time to cook a ¼ pound hamburger up to 20%
- Fast start-up and recovery to prime cooking temperatures

CONTROL

- Versatile grate system can be adjusted in height to give maximum control
- Front panel openings enable easy pilot lighting without panel removal
- Infinite adjustable gas valves turn 180 degrees to produce the perfect amount of heat for all menu needs
- Field convertible and adjustable gas regulator

SAFETY

- Double walled firebox protects control panel from higher temperatures
- Bull-nose front extension protects employees from burns
- Maintenance is safer and easier with bottom-mount grease collection pan and removable top grates

Easy Design Resources

APW Wyott designs and specifications can be easily accessed on data systems including AutoQuotes and KCL CAD Library. You can also access our price list, manuals, and spec sheets on our website at www.apwwyott.com.

Enhanced Warranty Plan

APW Wyott has some of the most reliable products on the market. When issues arise at your operation, we have some of the fastest service response levels in the industry.

APW Wyott is a trusted source of food cooking, toasting, heating & holding, warming and merchandising solutions for customers in the retail, restaurant and institutional food service industries worldwide.

APW Wyott was a member of the Standex Food Service Equipment Group, along with other well-known cooking solutions brands, including Bakers Pride, BKI, Ultrafryer and Tri-Star. To learn more, visit www.apwwyott.com.

Workline Series Cookline

APW's renown Workline Cookline includes a full complement of food preparation and serving equipment designed to support commercial kitchens of any size. From countertop CharBroilers, Griddles, Hotplates and Fryers to state-of-the-art Induction cooking and heavy-duty steam tables, the Workline Cookline sets the benchmark for commercial kitchen equipment.

Workline Series Cookline Gas Radiant CharBroilers

Heavy-Duty Steel Radiants for Optimal Heat Control

Gas Radiant CharBroilers feature heat dials that turn a full 180 degrees for ultimate control! Constructed of welded stainless and aluminized steel with heavy-duty stainless radiants. One of the highest BTU ratings in the industry, reaching temperatures of up to 825°F. Easy clean-up. Field convertible gas regulators. CE models include safety pilot. Cannot ship UPS. If shipping via air freight, dimensional weights apply. Backed by APW's Two Year Parts, Two Year Labor Warranty. FOB APW Dock, freight class 70.

Radiant Advantages:

- 1) Provides a more "even heat" pattern across grill surface.
- 2) Easier to maintain and clean.
- 3) Less "flare-ups" in the broiling process.

Part Number	Model	Description	BTU	Radiants	Dimensions	Weight (lbs)	Price

Workline Series Cookline CharRock Broilers

CharRock Lava Stones for a Great Smoky Flavor

Gas CharRock Broilers feature heat dials that turn a full 180 degrees for ultimate control! All stainless and aluminized steel construction. Cast iron rock holder under grates. Each unit is shipped with a supply of lava rocks. One of the highest BTU ratings in the industry, reaching temperatures of up to 825°F. Field convertible gas regulators. CE models include safety pilot. Cannot ship UPS. If shipping air freight, dimensional weights apply. Backed by APW's Two Year Parts, Two Year Labor Warranty. FOB APW Dock, freight class 70.

CharRock Advantages:

- 1) CharRocks build "visual excitement" with more flames and smoke.
- 2) Adds back flavor with sizzle of drippings from meats.

Thermostatic Gas Griddles

Thermostatic Gas Griddles feature heat dials that turn a full 210 degrees for ultimate control! Snap action controls with no electrical cord required. 1" griddle plate and a mechanical modulating valve/thermostat for maximum cooking control. 4" grease trough accepts full-sized spatulas. Welded stainless and aluminized steel, construction and 4" adjustable legs. Griddle plate is continuously welded to base. Field convertible gas regulators. CE models include safety pilot. Cannot ship UPS. If shipping via air freight, dimensional weights apply. Backed by APW's Two Year Parts, Two Year Labor Warranty. FOB APW Dock, freight class 70.

Thermostatic Control Advantages:

- 1) Senses temperature on plate and regulates heat.
- 2) Ideal for cooking a variety of products in different temperatures zones.

22033484	GGT-48i	Nat	100,000	15 1/2"H x 48"W x 26 3/4"D	350	\$6,555.00
22033486	GGT-48i	LP	100,000	15 1/2"H x 48"W x 26 3/4"D	350	\$6,555.00

Manual Gas Griddles

Manual Gas Griddles feature heat dials that turn a full 180 degrees for ultimate control! 1" flat polished steel griddle plate, full 4" grease trough and shut-off valve, welded stainless and aluminized steel construction and 4" adjustable legs. Griddle plate is continuously welded. Field convertible gas regulators. CE models include safety pilot. Cannot ship UPS. If shipping via air freight, dimensional weights apply. Backed by APW's Two Year Parts, Two Year Labor Warranty. FOB APW Dock, freight class 70.

Manual Control Advantages:

- 1) Great for High Heat
- 2) Highest BTUs drive fast temperature recoveries under heavy loads.
- 3) Needs "experienced cook" to manually control cooking zones.

Heavy-Duty Cookline

APW's Heavy-Duty Cookline extends the quality and reliability of our Workline Cookline to an even heavier and more robust line of kitchen equipment. Our heavy-duty CharBroilers, Griddles, Hotplates and Fryers are designed to accommodate even the most demanding of cooking environments. Ease of use and industrial-grade construction ensure a maximum return on investment for high volume kitchens.

Heavy-Duty Gas Radiant CharBroilers

Heavy-Duty Countertop Gas Radiant CharBroilers with exceptional low profile design is only 15 7/32" (387mm) to broiling surface making the Heavy-Duty series broilers ideal for use on refrigerated cabinets and a 21 1/2" deep broiling surface. Exterior front is all stainless steel with unique air blanket for ventilation and cooler outer temperatures. Front grease trough, slide out stainless steel water pan/grease drawer and 4" (102mm) chrome plated adjustable legs are standard. Interior combustion chamber is fabricated of 16 gauge CRS. If shipping via air freight, dimensional weights apply. Backed by APW's three year parts and two year labor warranty. FOB APW Dock, freight class 70.

Energy Saving, Radiant Conveyor & Bun Grill Contact Toasters

APW's eco-friendly, ECO-4000 radiant Conveyor Toasters reduce energy consumption while saving money and delivering superior toasting capability. APW's Bun Grill toasters are made with removable side panels for easy service access. All APW Toasters are constructed of stainless steel with durable metal-sheathed heating elements, high-temperature insulation, wiring and bearings to guarantee dependability and durability.

ECO-4000 Energy Saving Toaster

The ECO-4000 was designed from the ground up to start fast, save electricity, produce perfect toast, and work well in the front or back of the house. It saves approximately 40% more energy than competitive products, with programmable electronic intelligence that gives Toast Now rapid response, adjustable cycling for any quantities or types of toasting products. Bread, bagels, muffins, you name it – the ECO-4000 can toast it to perfection. Backed by APW's One Year Warranty. FOB APW Dock, freight class 100.

Classic Warmer

SERIES

Classic Warmers

APW's Classic Warmers are designed to provide energy-efficient warming solutions, extending the safe-temperature holding life of multi-batch food items including fries, rings, pizzas, fried pies and any other warm serve items. All classic warmers are designed and constructed for ease of use and durable, long-lasting service.

Classic C*Radiant™ Countertop Fry Holding Stations

The C*Radiant™ CFHS line is designed to provide the most effective "top and bottom" heat to keep Fried Foods at the optimum temperature over a longer period of time. The C*Radiant™ CFHS line includes 21" wide and 16" wide portable models. Top Heat is provided by a system of ceramic heaters that efficiently heat foods without continuing to cook them. Thermostatically controlled heated base provides uniform holding temperatures from below. Two 40 Watt coated bulbs light up the bin area, making an attractive display of product. Perforated Bin is included in both. The C*Radiant™ CFHS-21 includes a standard Fry Bag Holding Ribbon. If shipping via air freight, dimensional weights apply. Backed by APW's One Year Warranty. FOB APW Dock, freight class 100.

Part Number	Model	Description	Electric	Dimensions	Weight (lbs)	Price
95100000	CFHS-16	16" Fry Holding Station	120V, 1130W, 6.0 Amps	21 3/8"H x 16 1/2"W x 21 15/16"D	56	\$2,404.00
95010000	CFHS-21	21" Fry Holding Station	120V, 1430W, 12.0 Amps	21 1/4"H x 21 3/8"W x 26 7/8"D	68	\$2,774.00

Classic Countertop Display Warmers

Attractively styled, these Warmers are designed to keep food warm before serving. All styles come with cord and plug. PD-1A comes without lights. HL-1A has adjustable height. Note: Model PD-1A is not cUL Listed. Warmers shown with pans (not included). If shipping via air freight, dimensional weights apply. Backed by APW's One Year Warranty. FOB APW Dock, freight class 100.

Countertop Cold Wells

Countertop Cold Wells are portable and provide an economic solution that eliminates the cost of in-counter refrigeration. Designed to hold cold foods at 34°F - 40°F. Stainless steel construction with fully insulated walls using R134A refrigerant. Hinged cover included. Holds standard steam table pans. Cannot ship UPS. If shipping via air freight, dimensional weights apply. Backed by APW's One Year Warranty. FOB APW Dock, freight class 70.

Part Number	Model	Description	Electric	Dimensions	Weight (lbs)	Price
30048400	CTCW-43	4/3 size 12x27	120V, 1/6 hp, 3 Amps	18 1/2" H (w/lid) x 15"W x 29 9/16"D	90	\$4,311.00
Options						
1800100	COMP-5	5-year Compressor Warranty (Net Price)				\$264.00

Drop-In Refrigerated Topping Rails

Flush mount refrigerated countertop system that keep everything at NSF safe temperatures. The RTR-4Di holds four 1/6th size pans, 6" deep. Each pan has its own hinged, removable cover. All stainless steel construction. Cold wall refrigeration system utilizing a 1/6 hp compressor. If shipping via air freight, dimensional weights apply. Backed by APW's One Year Warranty. FOB APW Dock, freight class 70. Prefer to ship LTL 85lb.

Part Number	Model	Electric	Dimensions	Weight (lbs)	Price
30060600	RTR-4Di	120V, 360W, 60 Hz, 1 Ph, 3 Amps	16 13/32"W x 17 13/32"D x 18 3/4"H	67	\$2,468.00

Heated Display Cabinets

Great way to merchandise Pizza without drying out product. Stainless steel construction, large tempered glass windows, 1" adjustable legs and reversible hinged door. Features revolving display rack that stops when door is opened. Four shelves accommodating 18" diameter pans. Handles crispy or moist food equally well, with air convection heater (dry) and humidity water heater (moist). Model comes standard with pizza rack & pizza decal. If shipping via air freight, dimensional weights apply. Backed by APW's One Year Warranty. FOB APW Dock, freight class 100.

Heated Display Warming Cabinet

Keeps a variety of packaged foods at a safe holding temperature above 150 degrees, and provides fast, easy accessibility to the consumer. Clear front and sides, combined with slanted shelves provide total visibility. Dome light illuminates the product while attractive domed cover draws attention and can easily be merchandised with add-on "food decals". Front and back doors allow the customer to "self-serve" from the front and the clerk to load from behind. Stainless steel insides wipe clean with damp cloth. Lightweight unit facilitates easy movement. Backed by APW's One Year Warranty. FOB APW Dock, freight class 100.

Merchandiser

SERIES

Merchandising Made Easy

Presentation can make the difference between profit and loss. APW Wyott® Food Merchandising displays make the difference between average presentation and attention-grabbing, sales-generating, "buy it now, eat it fast and come back for more" food presentation. Designed for maximum visibility and easy of use, these display products set the standard for retail food merchandising.

Racer® Countertop Display Merchandisers

New, great looking display merchandiser that keeps a variety of packaged foods hot, and provides fast and easy accessibility to the consumer. Available in one or two shelf versions, either in a flat shelf or slanted design. Racer® Merchandisers keep wrapped product at NSF safe temperatures through a system of infrared overhead heat and a thermostatically controlled heated base. The Racer® line is the most durable and sturdy merchandiser on the market. The infrastructure and support is made of solid stainless steel. Unit will not sway from side to side or sag in the middle. Heated base is designed with special coated aluminum that transfers heat efficiently, plus allows boxes and wrapped products to smoothly slide down toward the front. Tempered glass end panels allow maximum visibility, while shatter resistant incandescent lights builds the overall presentation. If shipping via air freight, dimensional weights apply. Backed by APW's One Year Warranty. FOB APW Dock, freight class 100.

Food Wells

APW Wyott is the leading choice for multiple hot food wells, built in a modular configuration and easily installed in your operation. Whether you want one or six wells, equipped with drains, no drains, or our innovative "EZ-Fill" design, or built with a variety of electrical options...APW Wyott's Multiple Food Well line has the version for you. High performance is designed into each unit...High Watt Heating Systems to generate the fastest startup time and recoveries, plus fully insulated boxes that focus all the energy toward the wells (and your product). All units are fully approved for electrical and food safety and are ready to install into your counter area.

Insulated Multiple Hot Food Wells

Fully insulated with recessed bezel. Infinite controls are standard except the HFW-1 has a thermostat. Thermostat is available on Multiple Wells. Single phase is standard, 3 phase is available. Model HFW-1 cannot be converted to 3 phase. All wells have 1 1/2" flange. For drain and manifold, add "D" to model number. Pans are removable. Models HFW-6 and HFW-6D are not CE listed. Models HFW-2, HFW-3, HFW-4, HFW-5 and HFW-6 cannot ship UPS. If shipping via air freight, dimensional weights apply. Backed by APW's One Year Warranty. FOB APW Dock, freight class 100.

UL Listed Uninsulated Bottom Mount Hot Food Wells 12"x 20"

Bottom mount UL listed un-insulated wells provide an uninterrupted stainless steel countertop. The unique element contour provides hot and even heat distribution. Thermostatically controlled. Available with or without drain. As required by UL these units come standard with conduit for shielding the control wires, control box and bezel. Four voltages available. Dimensions: 8 1/2"H X 12 3/16"W X 20 1/8" L. Warranty: One-year parts and labor. If shipping via air freight, dimensional weights apply. Backed by APW's One Year Warranty. FOB APW Dock, freight class 100.

Insulated 26" x 20" Bottom Mount Hot Food Well

Fully insulated. Single Insulated heavy gauge galvanized steel wrapper. Standard with thermostatic control and 36" exposed capillary. Holds (2) 12x20 full size pans 6" deep and also will accommodate 1 full size (18" x 26") bun pan. All required adapters included. Drain screen provided with FW-2026D (stainless steel drain coupling). If shipping via air freight, dimensional weights apply. Backed by APW's One Year Warranty. FOB APW Dock, freight class 100.

Cold/Hot Dual Temp Wells

Single control switch for changing from hot to cold operation. Automatic water fill and high limit thermostat element protection is provided for hot operation. The positive-off thermostat controls the element allowing for adjustability and increased consistency of temperatures. Flexible 24" long conduit connects stainless steel control panel for optional counter mounting. Units are designed for installation into a wood or metal counter fixture. If shipping via air freight, dimensional weights apply. If shipping via air freight, dimensional weights apply. Backed by APW's One Year Warranty. FOB APW Dock, freight Class 70.

Overhead Warmer

SERIES

Overhead Warmers

APW Wyott® Overhead Warmers provide just the right heat to keep food warm and fresh. Available in multiple lengths and power options, they provide smooth, even heat over pass-throughs and temporary food holding areas of all sizes without wasting unnecessary energy.

Single C*Radiant™ Overhead Warmers

The C*Radiant™ (Ceramic) Overhead Warmers deliver greater heat intensity and efficient infrared radiant energy. High wattage version is superior for highly air conditioned passage-ways. Shipped with Side-Mounted Control Box (standard) or remote control box. For Remote, add "R" to the end of model number. Both options come standard with mounting brackets. Specify 120V, 208V, or 240V. Models FDC-48H to 72H and FDC-54L to 72L available only in 208V and 240V. Single units are 6" wide and 2 1/2" high (Side mounted box adds 4 13/32" to width). If shipping via air freight, dimensional weights apply. Backed by APW's One Year Warranty. FOB APW Dock, freight class 100. 60" and above must ship LTL.

Overhead Warmer

SERIES

Lighted Single C*Radiant™ Overhead Warmers

Lighted Single Units are 9 1/8" wide and 2 1/2" high. (Side mounted box adds another 4 13/32" on width.) Side mounted and remote units come with a rocker control to control the heat and a rocker control to turn lights on and off (120v current). Add R for remote. If shipping via air freight, dimensional weights apply. Units come with 120 Watt Lights. Backed by APW's One Year Warranty. FOB APW Dock, freight class 100. 60" and above must ship LTL.

Overhead Warmer

SERIES

Single Standard Calrod Overhead Warmers

Overhead Warmers come in Standard Energy Efficient Wattage and High Performance High Heat Wattage. These Overhead Warmers are made with special "mirror finished" stainless steel reflectors that generate over 22% more heat. Pilot lights, toggle switch and mounting brackets come standard. Infinite control available for maximum temperature management. Specify 120V, 208V, or 240V. Models FD-48 through 72 are available only in 208V and 240V. Single units are 6" wide and 2 1/2" high. Add -T for Toggle or -I for Infinite Controls. For Remote, add "R" to the end of model number. For attached cord and plug, add CS after model number. Full two year warranty on elements. If shipping via air freight, dimensional weights apply. Backed by APW's Two Year Parts and One Year Labor Warranty. FOB APW Dock, freight class 100. 60" and above must ship LTL.

Overhead Warmer

SERIES

Lighted Double Standard Calrod Overhead Warmers

Double Units are 15 1/8" wide and 2 1/2" high. See Mounting instructions on page 38. Remote control boxes are recommended (Add R). Note: Unit and Light are the same voltage. If shipping via air freight, dimensional weights apply. Backed by APW's Two Year Parts and One Year Labor Warranty. FOB APW Dock, freight class 100. 60" and above must ship LTL.

X*PERT™ Holding Drawer SERIES

X*PERT™ Holding Drawers

Our unique countertop and built-in holding drawers combine precise intuitive controls with durable construction to provide safe food holding solutions that are simple to use, easy to clean and last a lifetime.

X*PERT™ Series Ease*Extreme Digital Holding Drawers

The Ease*Extreme Holding Drawers feature "easy access" control panels. Ease*Extreme Drawers are designed with a tough Stainless Steel Construction and Heavy-Duty Drawer Slide, making it one of the most durable in the industry. Drawer slides now feature the "Easy Roller" design that eliminates the problem of drawers jamming as you close them. The Ease*Extreme Holding Drawers have perimeter heating elements, thermostatic controls, and moisture control vents. Ease*Extreme are supplied with an easy to read digital control system that keeps the tightest control over interior temperatures. Cord and plug and 6" pan included. All models of HDXi's cannot ship UPS. If shipping via air freight, dimensional weights apply. Backed by APW's One Year Warranty. FOB APW Dock, freight class 100.

Drop-In Oval Lowerator® Dispensers

The APW Wyatt Oval Dish Dispenser (OVD) is a self leveling dispenser for oval-shaped dinnerware. Tube construction is of stainless steel with polished flange and dispensing head. Four heavy-duty stainless steel guideposts ensure perfect positioning of leveled plates.

The dispensing mechanism in APW Wyatt's Lowerators® uses springs attached to a sliding support bar that rides both inside and outside the tube. This design feature prevents a stack of dishware from sticking in the down position, and releasing unexpectedly. The OVD is field adjustable for weights up to 150 pounds. The flange supports the dispenser on the countertop after a hole cutout is made. Sample platter must accompany order.

NOTE: Please contact factory for ordering.

Enhanced Warranty

For Equipment Covered by APW Wyott's "Enhanced Warranty" Program—if within one year from date of purchase this unit fails to function, you are entitled to your choice of 1, 2, or 3. The Enhanced Warranty Program applies to Models W-3Vi, W-4B, W4-2, RW-1V, RW-2V, RCW-11, CW-2Ai, CW-3A, CHP-1A

On All Calls, You Need To Give The Following Information:

1. Name and title of person calling
2. Phone number of person calling
3. Business name
4. Street address
5. City, State, Zip
6. Model, Serial Numbers (From serial plate)
7. Date purchased (if serial number indicates date of manufacture is over 13 months old, you will be asked to supply proof of purchase)

For Shortage – Supply the Above Information and Fully Explain What Is Missing

It will be sent immediately – prepaid via UPS or equivalent.

(Next Day Air or Priority shipments available at customer's expense)

1. APW Wyott will replace the unit. When calling the factory, besides the above information, you will need electrical characteristics, voltage and phase; describe the problem the best you can. The factory will require a Visa or MasterCard number and expiration date of same to assure return and/or validity of condition. Upon validation of credit card information, factory will strive to ship a replacement unit the same day if call is received before 3 p.m. Central Time or the next day if later. The replacement unit will be shipped prepaid regular UPS or equivalent. If requested Next Day Air or Priority, shipment will be made at customer's expense. Upon receipt, it is the customer's responsibility to unpack the new unit, taking care to preserve the packaging. Repack the unit being replaced in the same container, using caution to pack properly, and return this unit to the factory following the instruction supplied. Factory will supply return label and UPS call tag, both must be used. If original unit is returned within 30 days and is represented, the credit card validation will be cancelled.

IMPORTANT: If factory does not receive the unit to be returned within 30 days, the unit will be billed to the credit card number supplied. If the returned unit is not as represented – i.e. out of warranty, customer abuse, then it will be billed to the credit card number supplied. In these cases, the person calling in the problem will be contacted and, if applicable, the returned unit, if charged for will be returned to the original owner if requested.

2. You may take this unit to the APW Wyott Authorized Service Distributor. List of same is included with each product. If the problem is covered under warranty, the unit will be repaired at no cost to you. If the Authorized Agency cannot repair same within a reasonable time while you wait, it will be returned to you prepaid, via UPS.
3. You can request the Authorized Service Distributor to service the equipment on site. If problem is covered under the warranty, the parts and labor will be billed to the factory, while the mileage and travel time will be the responsibility of the owner.

24-Hour Service Hotline: 1-800-733-2203

The replacement warranty is only available on selected products shipped within the continental USA, Alaska, Hawaii, and Canada. As with most warranties, warranty is only valid to the original end-user/owner. Instructions and procedures must be followed or the warranty is void.

Terms & Conditions

1. Quotations

Quotations submitted by Seller (also referred to as "APW Wyott") are good for acceptance only within sixty (60) days from date of quotation for shipments within six (6) months. For shipments beyond 6 months from date of quotation, add 1% per month for a maximum of an additional two (2) months. This escalator is a maximum. If the current price at time of shipment is lower, it will apply. Quotations will be submitted on request for delivery requirements up to eighteen (18) months. Prices quoted do not include any sales, use, and excise, occupational or other similar tax. Delivery lead times contained within quotations shall date from receipt by Seller of all necessary engineering and manufacturing information, including approved drawings, if required by Buyer.

2. Acceptance/Minimum Order

\$5,000 Initial Order. All orders are subject to approval and acceptance by Seller. A written acknowledgement sent to Buyer of orders so approved shall constitute such acceptance by Seller. Seller may at any time alter or suspend credit, refuse shipment, or cancel unfilled orders when, in Seller's opinion, the financial condition of Buyer or the status of Buyer's account warrants it, or when delivery is delayed by fault of Buyer or Buyer is delinquent in any payment. No order accepted by Seller will be subject to cancellation, termination, suspension, change, reduction, cutback or any other modifications by Buyer except with Seller's prior written consent. Any such modifications may be subject to a change as determined by Seller. THE MINIMUM ORDER IS \$100.00 NET PRICE (U.S. Funds). Open account terms are extended to firms with established credit at APW Wyott Food Service Equipment Company ("APW Wyott"). If Buyer wishes to establish an open account, it should call the APW Wyott Manufacturer's Representative in its area and request a credit application. If Buyer's initial order is urgent, it should include a cashier's check with its completed application and initial order. Buyer's completed credit application will then be processed. Possession of APW Wyott Price List(s) does not constitute an offer to sell.

3. Payments

Payments should be mailed to APW Wyott: 29712 Network Place, Chicago, IL 60673-1297

4. Standard Case

All merchandise is sold in case lots only. There will be a \$10.00 net additional charge for each broken case.

5. Same Day Service

Seller will accommodate requests for same day service on orders placed by 10:00 a.m. CST.

6. Cancellation

Orders may be cancelled or deliveries deferred only upon the condition that the Buyer assumes immediate liability for and makes prompt payment to Seller of all expenses incurred, charges for commitments made by Seller, profit on work in process and contract value of items completed and ready for shipment. If the product is already in process of being produced or already made, the order cannot be cancelled.

7. Delivery

Shipment schedules are approximate only and are as accurate as present conditions permit. Seller assumes no responsibility or liability for failure or delay in making delivery or otherwise performing hereunder when such failure or delay is due to any cause beyond its control and without its fault or negligence. If for any reason Seller's supply of products ordered hereunder is caused to be limited, Seller shall have the right to prorate the supply in such manner as it, in its discretion, shall determine. Delivery to a common carrier shall constitute delivery to Buyer and all risk of loss or damage in transit shall be borne by Buyer. If, because of Buyer's inability to take delivery, the materials or equipment are not shipped, Seller may have them stored for Buyer at Buyer's expense, risk and account, and for all other purposes they shall be considered "shipped." Lift gate charge \$70.00. Inside delivery \$75.00. Delivery services are normally available anywhere within the 48 contiguous states.

8. Partial Deliveries

Seller may make partial deliveries which Buyer shall accept and pay for at the prices acknowledged upon maturity of bills. If any part of the order is not in accordance with the order, the remaining part of the order and Buyer's obligation hereunder shall not be affected.

9. Packaging

All items sold hereunder shall be packed or crated and shipped in accordance with Seller's best judgment. Any special packing, crating, or shipping instructions of Buyer must be noted on Buyer's original order in accordance with Seller's best judgment. Any special packaging, crating, or shipping instructions of Buyer must be noted on Buyer's original order and acknowledged by Seller.

10. Inspection

Buyer shall inspect all items upon arrival and shall give written notice to Seller within ten (10) days of receipt of any claim for shortage or non-conformance with the terms hereof. If Buyer shall fail to give such notice, all items shall be deemed to be conforming, and Buyer shall be bound to accept and pay for all items in accordance with the Terms hereof. If damage has occurred, it should be noted on the freight bill and claim filed by Buyer immediately with the carrier. Although APW Wyott takes special care to insure the safe arrival of merchandise, Seller's responsibility for damage ceases when shipment is accepted by the carrier. APW WYOTT CANNOT FILE THE FREIGHT DAMAGE CLAIM FOR THE BUYER.

11. Returns

APW Wyott has a Return Policy for Standard Stocking Products and a Policy for Non-Standard "Custom" Products requested by the Customer. Return Material Authorization (RMA) requests must be submitted within 30 days from date of invoice. In all cases, APW Wyott will refuse any returned goods that do not have prior APW Wyott approval and therefore, do not bear an APW Wyott Return Material Authorization (RMA) number. This RMA number will remain valid for sixty (60) days. Goods returned after this sixty (60) day period will be refused. Approved returned goods must be shipped prepaid. An authorized APW Wyott Customer Service Representative will alert Buyer as to the correct return address.

Approved Standard Stocking Products that are returned will be credited at invoice less 25% restocking charge and less outbound freight. Goods must be returned either in the original APW Wyott unopened box or returned unused and repacked in the original APW Wyott box using original APW Wyott packing materials.

Non Standard Custom Products are either Returnable (but with a 25% or \$50 minimum, whichever is higher, restocking charge to cover cost of re-work and parts) or Non-Refundable (not convertible or sellable to other customers). Catalog items which have been modified by addition of available options are returnable with a 50% restocking fee to cover cost of re-work and parts. Items that are eligible for return include Non Standard Food Wells, Calrod Overhead Warmers over 54", any Double or Lighted Overhead Warmer, and Radiant Black or Ceramic Overhead Warmer. Cancellation of order is not allowed 4-5 working days before the shipment due date. Buyer will be subject to a 50% charge if the equipment has been produced.

Non-Returnable Goods (Not convertible or sellable to other customers) may not be returned or cancelled once the product is planned and parts have been acquired. In some cases, a non-refundable deposit will be required. Non Returnable Custom Products include but is not limited to all Mobile Lowerators® and Rack Dispensers, any product with added decals or laminate, non standard or Oval Lowerator® Tubes, and some Export Voltage Products.

12. Repairs

Alterations and Modifications Any repairs made to products shipped by Seller shall be at the expense of the Buyer unless specifically authorized in writing by the Seller. Alterations or modifications to the product involving welding, brazing, soldering, drilling or machining by the Buyer is not permitted or approved by the Seller without specific authorization in writing by the Seller. Seller disclaims any and all liability and responsibility for any unauthorized alteration or modification by the Buyer or an unauthorized service representative which will void the warranty immediately.

13. Patent Indemnity

Buyer shall indemnify, defend and hold harmless Seller and its directors, officers, agents and employees against all loss, liability and claims for damages or profits, including all reasonable costs and expenses incurred by Seller in connection therewith, arising from any claim that the goods infringe any patents, copyrights, trademarks or claims or allegations of misappropriation of designs, proprietary data, trade secrets or any other intellectual property right of any person with respect to all goods manufactured either in whole or in part in accordance with Buyer's specifications. Upon receipt of notice from Seller of such alleged infringement, Buyer shall defend any action or claim of such infringement at its own expense.

14. Terms/Shipments

Terms are 1% - 10, net 30 days from date of invoice, F.O.B. Seller's dock unless otherwise expressly stated in writing by Seller. Late charges of up to two percent (2%) per month plus costs of collection will be assessed on past due invoices.

15. Taxes

Any taxes or other governmental charges upon production, sale and/or shipment of merchandise sold hereunder, now imposed by federal, state or municipal authorities, or hereafter becoming effective, including sales and use tax imposed as a result of Buyer requesting shipment direct to its customer in another state, shall be added to the prices provided by APW Wyott and shall be paid by the Buyer. Buyer is responsible for providing to APW Wyott valid sales tax resale or exempt certificates for all states in which Buyer is licensed.

16. Credits

Seller will only consider credits on which the claim has been initiated within twelve (12) months of the date of shipment.

Terms & Conditions

17. GENERAL

- a. No items to be furnished hereunder shall be exported by Buyer or by any customer of Buyer unless Seller is first notified in writing of the intention to so export and all applicable regulations and licenses are complied with and obtained by Buyer or its customer.
- b. Seller reserves the right to make changes in design at any time without incurring any obligation to make such changes in any items previously purchased, whether or not delivered.
- c. Seller expressly disclaims application of any Government procurement regulations in connection with any items to be furnished hereunder unless expressly agreed to in writing by an authorized representative of Seller.
- d. Seller hereby certifies that the goods described herein of its manufacture will be produced in compliance with all applicable requirements of Sections 6, 7 and 12 of the Fair Labor Standards Act, as amended, and all orders of United States Department of Labor issued under Section 14 thereof. Seller further certifies that it is in compliance with the Equal employment Opportunity clause in Section 202, paragraph 1 through 7 of Executive Order 11246, as amended, relative to equal employment opportunity and the implementing Rules and Regulations of the Office of Federal Contract Compliance.
- e. Seller is not responsible for typographical errors made in any of its publications or for stenographic or clerical errors made in preparation of quotations, sales orders, or acknowledgements. All such errors are subject to correction.
- f. This agreement shall be governed by the laws of the State of Texas.
- g. Seller's "Terms and Conditions" as set forth above shall govern this transaction and any inconsistent terms of Buyer wherever set forth and whether oral or written, shall not be binding upon Seller unless agreed to in writing by Seller. No waiver or exception to any of the hereinabove enumerated conditions or any of the special terms and provisions relating to these Terms and Conditions shall be binding upon Seller unless agreed to in writing by the Seller.

18. WARRANTY INFORMATION

APW Wyott warrants its equipment against defects in materials and workmanship, subject to the following conditions: This warranty applies to the original owner only and is not assignable.

Should any product fail to function in its intended manner under normal use within the limits defined in this warranty, at the option of APW Wyott such product will be repaired or replaced by APW Wyott or its Authorized Service Agency. APW Wyott will only be responsible for charges incurred or service performed by its Authorized Service Agencies. The use of other than APW Wyott Authorized Service Agencies will void this warranty and APW Wyott will not be responsible for such work or any charges associated with same. The closest APW Wyott Authorized Service Agency must be used.

This warranty covers products shipped into the 48 contiguous United States, Hawaii, metropolitan areas of Alaska and Canada. There will be no labor coverage for equipment located on any island not connected by roadway to the mainland.

The warranty covers on-site labor, parts and reasonable travel time and travel expenses of the authorized service representative up to (100) miles round trip, and (2) hours travel time.

TIME PERIOD:

All APW Wyott Equipment is warranted for one year for parts and one year for labor. Warranty is 18 months from ship date from factory or 12 months from date of install, whichever comes first. The Authorized Service Agency may, at their option, require proof of purchase. Parts replaced under this warranty are warranted for the unexpired portion of the original product warranty.

EXCEPTIONS:

- Gas/Electric cookline – Models GCBi, GCRBi, GGMI, GGTi, GHPI, EFi, EGi, EHPI – Three (2) Year Warranty on all component parts, except switches and thermostats. (2) Year Warranty on labor
- Heat Strips – Models FD, FDL, FDD, FDDL – Two (2) Year Warranty on element only – no labor second year.
- Glass Windows, Doors, Seals, Rubber Seals, Light Bulbs, Broiler Briquettes – 90-Day Material Only – no labor.
- Rock grates, cooking grates, burner shields, and fire boxes – 90 day Material only – no labor.
- AT Express Toaster and X*treme Toasters – 2 year warranty.
- HD Series Three (3) Year Warranty on Parts and Two (2) Year labor

In all cases, parts covered by extended warranty will be shipped FOB the factory after the first year.

PORTABLE CARRY-IN PRODUCTS

Equipment weighing over 70 lbs. or permanently installed will be serviced on-site as per the terms of this warranty. Equipment weighing 70 lbs. or under, and which is not permanently installed, i.e. with cord and plug, is considered portable and is subject to the following warranty handling limitations.

If portable equipment fails to operate in its intended manner on the first day of connection, or use, at APW Wyott's option or its Authorized Service Agency, it will be serviced on-site or replaced.

From day two through the conclusion of the warranty period, portable units must be taken to or sent prepaid to the APW Wyott Authorized Service Agency for in-warranty repairs. No mileage or travel charges are allowed on portable units after the first day of use. If the customer wants on-site service, they may receive same by paying the travel and mileage charges. Exceptions to this rule (1) countertop warmers and cookers, which are covered under the Enhanced Warranty Program, and (2) toasters or roller grills which have in-store service.

EXCLUSIONS:

The following conditions are not covered by warranty:

- Equipment failure relating to improper installation, improper utility connection or supply and problems due to ventilation.
- Equipment that has not been properly maintained, calibration of controls, adjustments, damage from improper cleaning and water damage to controls.
- Equipment that has not been used in an appropriate manner, or has been subject to misuse or misapplication, neglect, abuse, accident, alteration, negligence, damage during transit, delivery or installation, fire, flood, riot, or act of God.
- Equipment that has had the model number or serial number removed or altered.

If the equipment has been changed, altered, modified or repaired by other than an Authorized Service Agency during or after the warranty period, then APW Wyott shall not be liable for any damages to any person or to any property which may result from the use of the equipment thereafter.

This warranty does not cover services performed at overtime or premium labor rates. Should service be required at times which normally involve overtime or premium labor rates, the Buyer shall be charged for the difference between normal service rates and such premium rates. APW Wyott does not assume any liability for extended delays in replacing or repairing any items beyond its control. In all cases, the use of other than APW Wyott authorized OEM replacement parts will void this warranty. This equipment is intended for commercial use only. Warranty is void if equipment is installed in other than commercial application.

WATER QUALITY REQUIREMENTS

Water supply intended for a unit that has in excess of 3.0 grains of hardness per gallon (GPG) must be treated or softened before being used. Water containing over 3.0 GPG will decrease the efficiency and reduce the operating life of the unit.

Note: Product failure caused by liming or sediment buildup is not covered under warranty.

THE FOREGOING WARRANTIES ARE EXCLUSIVE AND ARE GIVEN AND ACCEPTED IN LIEU OF ANY AND ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND ALL OTHER REMEDIES. THESE ARE THE ONLY REMEDIES OF BUYER FOR ANY BREACH OF WARRANTY OR ANY OTHER CLAIM. SELLER'S TOTAL LIABILITY ARISING OUT OF THE WARRANTIES OR CLAIM OF NEGLIGENCE, OR OTHERWISE, SHALL NOT IN ANY CASE EXCEED THE COST PAID BY BUYER TO SELLER FOR THE MATERIALS AND IN NO CASE SHALL SELLER BE LIABLE TO BUYER OR ANY THIRD PARTY FOR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES.

Buyer agrees to indemnify and hold Seller harmless from all claims, demands and costs, including reasonable attorney fees, made by third parties against Seller relating to Buyer's use or installation of the products, and to pay any costs and expenses incurred by Seller to enforce Buyer's obligations, including, without limitation, the costs of collection for any unpaid amounts owed to Seller by Buyer.
