ABG Sundal Collier ASA has been approved as a member of NGM

The Nordic Growth Market stock exchange is pleased to announce that ABG Sundal Collier has been approved as a member of NGM. ABG is expected to participate in trading commencing November 27, 2017.

“Today it is our pleasure to announce that ABG has been approved as a new member of the exchange. The fact that ABG has become a member of the exchange is another sign of the strength in NGM’s offer. We already offer the largest selection of exchange traded products in the Nordics and now we also have more than 200 listed Nordic companies. The value for banks of being connected to NGM increased further following the migration of AktieTorget into our trading system”, says Tommy Fransson, Deputy CEO of NGM.
