FOR IMMEDIATE RELEASE

PAUL WYSOCKI APPOINTED EXECUTIVE VICE PRESIDENT OF CENTURION, INC.

Waukesha, WI (June 30, 2014) – Centurion, Inc., is pleased to announce the appointment of Paul Wysocki to Executive Vice President and Chief Technology Officer at Centurion.

Since joining the company in 1989, Paul has been an integral part of the growth and changes evolving at Centurion, Inc. Paul's previous positions at Centurion have included: the Vice President of Engineering and Support, as well as the applications project leader.

Currently he oversees Technology Development and Implementation for four major verticals that include Financial (Banking, Credit Union, Insurance), Utility (Gas, Electric, Water, Municipals/Investor Owned Utilities), Government (Local, State, Federal) and Housing Authorities. His experience and degree in Computer Science and Engineering from the Massachusetts Institute of Technology (M.I.T.) makes Paul a perfect fit for the type of product offerings Centurion brings to market.

A few of Paul's major accomplishments at Centurion have been the design for the Interactive Voice Response (IVR) offering as well as the turn key call center solution, CARES™. Paul resides in Waukesha, Wisconsin with his wife Cindy and their two children.

About Centurion, Inc.

Centurion, Inc. is a systems integrator that helps organizations automate their communications to increase efficiency, reduce costs, streamline processes and improve service. Centurion develops and integrates custom or off-the-shelf Interactive Voice Response (IVR), Automatic Call Distribution (ACD), Predictive Dialer, Outbound Notification, Screen Pop, Quality Assurance Recording and Multimedia Task Management Contact Center solutions that can be deployed on-premise or via the cloud and are ideal for the utility, financial, government, healthcare and SMB markets. Centurion has offices in Florida and Wisconsin. For further information, please call 727-431-5300 or visit www.CenturionCARES.com.
