VIDEO STROKE ANALYSIS SESSIONS

These sessions are for Competitive Swimmers and Triathletes of all ages

- Using our cutting edge technology, your SwimLabs coach will capture a 360° video of your stroke to provide instant visual feedback. All video recordings, screen shots, instructor notations and drawings from the session, along with side-by-side comparative analysis to world class swimmers will be compiled into a media file and sent to you for your ongoing reference
- Your SwimLabs Coach will also detail suggested drills for ongoing improvement of your targeted areas

Lesson Type	Per Lesson	Cost
Single Lesson	\$95.00	\$95.00
3 Pack of Lessons	\$75.00	\$225.00
Packages may not be shared, all listed prices are per person		

COMPETITIVE PRIVATE SWIM LESSONS

This lesson type is geared towards Competitive Swimmers and Triathletes of all ages

- In the Competitive Private lesson, the swimmer will benefit from our cutting edge technology to receive instant visual feedback for stroke development and swim efficiency. Your interaction with the SwimLabs coach will be similar to a Video Stroke Analysis session - however - all of the videos, notations, etc., from the session will not be recorded.
- Your SwimLabs Coach will send you home with suggested drills for ongoing improvement of your targeted areas

Lesson Type	Per Lesson	Cost
Single Lesson	\$75.00	\$75.00
5 Pack of Lessons	\$68.50	\$342.50
10 Pack of Lessons	\$67.00	\$670.00
