

SafeSplash Swim School Policies, Procedures, Release of Liability and Fee Agreement

It is critical that you understand the Policies, Procedures, Release of Liability and Fee Agreement of our school to ensure each student has a fun, rewarding and safe experience when learning to swim.

Class Times

Each group, semi-private or private lesson is 30 minutes in length, one day per week. A class is held at the same time and day of the week, each week. Camps, Clinics and Wave class length may be different.

Tuition and Fees

Tuition is billed monthly. The monthly billing amount may vary based on the number of weeks in the calendar month. Tuition is billed for the upcoming month on the 25th of the current month. Once you are enrolled in classes, you will continue to be billed monthly until you notify us of your desire to withdraw from classes (see “withdrawing from lessons” below). Fees (e.g., registration fees or late withdrawal fees) and tuition for promotional bundles, camps or clinics will be billed immediately. Tuition for your first month will be prorated according to the number of classes left in the month and will be billed immediately. Tuition may differ per location.

Tuition Paid by Third Party

Tuition can be paid through a third party. A credit card is required to be on file for all customers paying for swim lessons by a third party. Customers are responsible for tuition if the funding expires or we do not receive the payment from the third party.

Registration

There are no registration deadlines at SafeSplash Swim School. Students registering for classes can join us at any time subject to available capacity. A \$30 registration fee per child will be charged when your student(s) are booked in classes. This fee will be charged annually for all students to cover the cost of managing the registration and booking process. The registration fee is non-refundable and non-transferable for any reason.

Withdrawing from Lessons

To withdraw from lessons, log in to your account via the customer portal on the SafeSplash Swim School website (www.safesplash.com) and complete the withdraw option for your student. For the protection of our customers, withdrawing via the customer portal is the only valid means of signaling your desire to withdraw. Verbal or email withdrawal notifications are not valid. In order to avoid being charged for the next month of lessons, you must withdraw your student on or before the 15th of each month. If you submit a withdrawal form between the **15th and the 24th**, we can remove your student/students from lessons with a \$30 per person late withdrawal fee. Withdrawals that are submitted between the **25th and the end of the month** can be removed from lessons and we will refund **50%** off your tuition with no late withdrawal fee. Withdrawals submitted between the **1st and 7th** for the same month can be removed from lessons and we will refund **25%** of their tuition with no late withdrawal fee. Withdrawals submitted after the **7th** for the same month there will be **no refund**.

Refunds

When you enroll your student in classes you are reserving a slot for your child that is in high demand. By reserving this spot you are agreeing to pay for your reserved spot independent of your child's attendance. It is your responsibility to make sure that your vacations, appointments and other activities do not interfere with the classes for which you have enrolled. SafeSplash Swim School will offer no tuition refunds for classes missed for any reason. In addition, registration fees and late withdraw fees are non-refundable.

Credits

In the case that a facility is closed due to inclement weather or maintenance, your account will be credited for the classes cancelled or a make-up class may be scheduled. If the student is sick, your account can be credited or a make-up class can be scheduled as long as a doctor's note is provided within one week of the missed class. ~~The~~ All credits will be applied to future tuition for lessons at SafeSplash Swim School and cannot be converted to cash or transferred to any other party. Credits and make-ups may only be used at the SafeSplash Swim School location at which they were given (credits are not transferrable to another location). Credits expire one year after the date they were applied to the account. If you opt for a make-up class, it must be scheduled within a week of the original missed class and is subject to availability as determined by SafeSplash Swim School. If an appropriate make-up class can't be scheduled, a credit will be offered.

Methods of Payment

Electronic payments are the only payment methods accepted by SafeSplash Swim School. Electronic payments include credit cards, debit cards and EFT/ACH transfers (electronic transfers from your bank account where you supply us with your bank routing number and account number). Checks and cash are not accepted. You are responsible for making sure your form of payment remains current. Should your form of payment lapse for any reason, your student(s) may be withdrawn from classes at the sole discretion of SafeSplash Swim School. In some cases, third party payment arrangements will be accepted. Third party payor arrangements will require a form of payment from the primary party to be on file and require a third-party payer agreement to be signed by the primary party.

Instructor and Class Changes

We do our best to accommodate specific instructor requests. However, specific requests for instructors are not guaranteed. Instructor substitutions, modifications and changes can occur at the sole discretion of SafeSplash Swim School. If classes are not booked to capacity, we reserve the right to combine classes to fill the class. We reserve the right to cancel, change your lesson day, time, or level at any time at our sole discretion.

Trial classes

In some cases, trial classes may be offered by a SafeSplash Swim School. In order to book a trial class, a registration form must be submitted and all policies, procedures, waivers and other standard terms and conditions must be agreed to by the participant or guardian of the participant before he or she can participate in the trial class.

Timeliness

Please arrive early enough so that your student has time to stop by the bathroom, get changed and get equipment ready before class begins. To avoid class disruptions, if the student is more than 10 minutes late, he or she will not be allowed to join class that day.

Parent/Guardian Attendance

Participants' parent/guardian must remain at the facility or on the pool deck (hosted facilities only) during the entire duration of each lesson.

Moving to The Next Class Level (Ribbons)

Students are rewarded with ribbons and promoted to the next class level upon demonstration of skills required at each level. Every student will learn skills at different rates. Therefore, students will be tested for their ribbons when their instructors believe they are ready.

Changing Areas, Restrooms and Locker Rooms - Dedicated Facilities

Children under the age of 4 must be accompanied by a parent/guardian in a same sex changing room, restroom or locker room. Children 4 years and older can use the same sex changing room, restroom or locker room unaccompanied or the family changing rooms.

Changing Areas, Restrooms and Locker Rooms - Hosted Facilities (Fitness Centers, Hotels, Apartment Complexes, Recreation Centers, etc.)

Please refer to the hosted facility locker room policies.

Swimsuits

Anyone entering the pool is required to wear appropriate swim apparel. Street clothing is not permitted. While it is not required, we highly recommend that little girls wear one-piece swimsuits.

Swim Diapers

All students who are not fully potty-trained and all students under the age of three are required to wear a reusable (non- disposable) swim diaper. Disposable swim diapers (such as Lil' Swimmers) can and should be worn under the non-disposable swim diaper. Reusable diapers have a tighter fit, which helps to avoid accidents in our pools. A swimsuit or a pair of shorts should be worn over the diaper. Even a small accident in the pool can close the pool down for as long as 24 hours. If you attend a hosted location and your student is under the age of three or not potty-trained they will be required to wear one (1) disposable swim diaper and two (2) reusable diapers. **If in doubt, PLEASE do not take the chance.** Non-disposable swim diapers are available online at www.safesplash.com or at your local SafeSplash Swim Store.

Swim caps

Any student who has hair longer than chin length is required to wear a swim cap. Swim caps are available online at www.safesplash.com or at your local SafeSplash Swim Store.

Towels

You must bring your own towel. Towels are not provided.

Goggles

Unless otherwise directed by their instructor, all students should have a pair of goggles at every class. We DO NOT offer loaner goggles. Goggles are available for purchase online at www.safesplash.com or at your local SafeSplash Swim Store.

Watching Lessons in Dedicated Facilities

Participants' parent/guardian must remain at the facility during the entire direction of each lesson. Spectators may watch from the defined viewing area during their Participant's class. Spectators are not allowed in the pool area during classes except when requested by the instructor or during the designated time for Splash-N-Tell[®]. If you have questions or requests for the instructor, you may ask them during the designated time at Splash-N-Tell[®] week or leave a note at the front desk for the instructor.

Watching Lessons in Hosted Facilities (Fitness Centers, Hotels, Apartment Complexes, Recreation Centers, etc.)

Participant's parents and guardians must remain on the pool deck during their child's lesson at hosted facilities. Our goal is to give your child the best learning experience possible so we ask you to refrain from interrupting your child's class. If you have questions or requests for your instructor, you may ask during the designated time at Splash-N-Tell[®] week or leave a note at the SafeSplash desk.

Food and Snacks

Food and drink are not allowed on the pool deck at any time. The only exception to this is bottled water in a non-glass container.
