Dear Darren:

I want to thank you for providing my store with your many years of expertise in promotional sales. My retirement sale went very smoothly and the supervisor you sent us had over 40 years of jewelry store experience and knowledge of product, display, and sales while easily assimilating with my staff and helping them comfortably with the transition.

I highly recommend Simplex Diamonds for store promotional sales such as mine in closing our retail division and help with the consolidation of all facets of our 39 year operation.

Sincerely,

Tom Yourawski
