ACTION BASED LEARNING 2 DAY TRAININGS

Two day fast track trainings are offered once a month throughout the school year (Sept-May). These trainings are best for those looking to amp up their teaching skills and improve their students academics and overall development. These are also perfect for anyone that needs a booster on Action Based Learning and Kinesthetic Classroom Concepts!

Hosted By Kinesthetic Classroom National Presenters, Michael Kuczala, and ABL co-founder Cindy Hess

How do I know if this training is for me?

-Are you a teacher, admin, principal, OT/PT, Program Coordinator, After School Facility, YMCA, Health Dept. or Parent?

Have you ever said any of the below statements?

-I want to transform my classroom, I want to learn how to better impact these children. I need motivation, I want to renew my passion and purpose in what I do. I want to change the world. I want to meet other people just like myself. I want direction and hands on training from the best. I am ready to take my good school to a great school. I am ready to go from a good teacher, to a great teacher.

If YES, than THIS TRAINING IS FOR YOU!

Training FAQ

What age groups does this training target?

PreK-University Level, PT/OT, Administrators, district coordinators, principals, PE, daycares, etc. ANYONE in the education realm! It is very important to be as detailed as possible on your registration form! Our trainers spend time preparing to meet your specific needs prior to and during the training.

of Attendees per event:

Our priority is to ensure this is a highly personalized and very hands-on training. For this reason, the maximum number of attendees we allow at one time is 30. The smaller the group, the deeper we are able to dive into your specific needs and apply Action Based Learning strategies directly to your environment.

I'm interested but not ready to sign up yet

No problem! Just send an email to fab@kidsfit.com. Let us know the names of the people you would like to pencil in. This will hold your spot for the training up until 30 days prior to the event. If we have not received your registration form at that point, your spot will be released for other attendees, at no penalty to you!

Travel Arrangements

1. **Flights** Philadelphia Airport (PHL) is 26 miles from training site. Trenton NJ airport (TTN) is 24 miles from training site. We recommend arriving the evening before the training, and checking out the last day of the training (or the following day- if your travel plans allow)
2. **Rental Car** Optional. The training is held on site at the host hotel. If you plan to explore outside the training site, we have found past attendees have appreciated the ability to explore the city during the evening, as well as flexibility to travel between the airport and training site. Otherwise, a taxi/uber to and from the airport is the only transportation you will need.
3. **Hotel** - Must be booked separately. We recommend staying at the host hotel, as the training will

take place in the conference space at the Courtyard Marriott Willow Grove.

What time should I arrive?

The facility opens at 9am. We ask that all attendees arrive by this time. We aim to get started training by 9:15am.

Attire/What to Bring

Attire is Casual- We will be moving throughout the day, so make sure to dress comfortably! Charleston is very warm, but known for frequent changes in weather throughout the day, so layering is always the best option! Attendees may want to bring an extra notebook to take notes, Laptops are optional. Water will be provided, but feel free to bring a water bottle to have access to throughout the day.

Food

Lunch will be provided on-site each day, as well as snack bars and water bottles. If there are any special dietary requests or allergies, we MUST be alerted at the time of registration. We cannot guarantee a special meal request if the restaurant is not alerted in advance.
