Seminars benefit teachers of all levels, administrators, PTs, OTs, nurses, parents, curriculum developers, wellness coordinators and decision makers. Anyone who attends will walk away with valuable information that has the power to change lives and transform the future of education. Fulfill your passion and purpose!

The Action Based Learning + Kinesthetic Classroom certified training covers a variety of topics and information that satisfies the funding requirements for Title One, Common Core, 21st Century Leadership, PEP Grants, ESL, and Special Education.

### AGENDA:

- Become familiar with Action Based Learning/Kinesthetic Classroom philosophy, history & programs.
- \*Learn to "speak neuroscience" while finding how to stay current by accessing the latest resources & data.
- Develop innovative teaching skills & strategies to provide cutting edge, brain-based lessons, on-service trainings, staff developments, workshops & conference break sessions that are in high demand.
- Create presentations to train your school staff & school districts about how to incorporate more movement during the day & how to teach academic concepts kinesthetically.
